Quicksilver is a historical novel by Neal

Stephenson, published in 2003. It is the first volume of The Baroque Cycle, his late Baroque historical fiction series, succeeded by The Confusion and The System of the World (both published in 2004). Quicksilver won the Arthur C. Clarke Award and was nominated for the Locus Award in 2004. Stephenson organized the structure of Quicksilver such that ...

. Well, surely within the context of Doctor Who, at least, that is what the new series is. We're at a point in the series where the lack of the new series would really preclude this sort of analysis in the first place, because absent its status as an organizing principle this period of Doctor Who would be barely worth commenting on, or worth discussing ...
