The Voice in the Night *Atlântico Press*
The Voice in the Night, a short story by William Hope Hodgson, has been adapted by the cinema a number of

times, most prominently in the 1963 Japanese film “Matango”. It also appeared in Alfred Hitchcock's paperback anthology “Alfred Hitchcock Presents: Stories They Wouldn't Let Me Do on TV”. William Hope Hodgson (1877 – 1918) was an English author that produced essays and novels, that mixes horror, fantastic fiction and science fiction. Hodgson used his experiences at sea to his short stories, many of which are set on the ocean. Hodgson's single most famous story is probably *The Voice in the Night*”, where a fisherman's aboard a ship in the North Pacific, on night watch in a fog-bank, hears a voice call out from the sea. The voice asks for food, but it insists it can come no closer, that it fears the light, and that God is merciful. In payment for the food it tells

a frightening tale... *The Voice in the Night* integrates the collection “Classics of World Literature”, developed by Atlântico Press, a publisher company present in the global editorial market, since 1992.

Walking with the Wind

A Memoir of the Movement *Simon and Schuster*

The award-winning national bestseller, *Walking with the Wind*, is one of the most important records of the American civil rights movement as told by a true American hero, John Lewis, who Cornel West called a “national treasure.” An eloquent and gripping first-hand account of the turbulent struggle for civil rights and the willingness and courage to change the course of history. Forty years ago, a teenaged boy named John Lewis stepped off a cotton farm in Alabama and into the epicenter of the struggle for civil rights in America. The ideals of

nonviolence which guided that critical time of American history established him as one of the movement's most charismatic and courageous leaders. Lewis's leadership in the Nashville Movement—a student-led effort to desegregate the city of Nashville using sit-in techniques based on the teachings of Gandhi—established him as one of the movement's defining figures and set the tone for the major civil rights campaigns of the 1960s. During this decade, he was repeatedly a victim of violence and intimidation, but his singular belief in non-violent action, inspired by his mentor, Dr. Martin Luther King, was a defining characteristic of his leadership and vision. In 1986, he ran and won a congressional seat in Georgia, and remains in office to this day. Walking

with the Wind is the story of an American hero. A boy from rural Alabama whose journey led him to Washington, and whose vision and perseverance changed a nation.

erotica” from the celebrated Canadian author (*The Chronicle Journal*). An urbane, robust, and wonderfully opinionated voice from Canada, sometimes called “America’s attic,” speaks here of the delights of reading, and of what mass education has done to readers today, to taste, to books, to culture. With his usual wit and breadth of vision, Robertson Davies ranges through the world of letters—books renowned and obscure, old and recent; English, Irish, Canadian, and American writers both forgotten and fondly remembered. “Sweet reason in the raiment of well-woven prose? Most assuredly. Good humor agraze over broad literary demesnes? No doubt of it. Forgotten popular favorites rescued and rehabilitated? Certainly. A parade of

agreeable prejudices? He would not be a true Canadian if he did not have them. Lightheartedness where needed? Yes. Seriousness where it counts? Yes. Wit, satirical touches, firm indignations, sound sense, good taste, judiciousness, cosmopolitan breadth of view, urbanity, sanity, unexpected eccentricities, educated humanism? By all means. It is indeed by all these means and more that this book of essays and observations bestows its multiple benefactions, and anyone picking it up is bound north to pleasure and profit.”—The New York Times

The Masterpiece *NavPress*

A New York Times, USA Today, and Publishers Weekly bestseller "This character-driven romance will enthrall [Rivers's] many fans." —Library Journal The New York Times bestselling author of Redeeming Love returns to her romance roots with this unexpected and redemptive love story, a probing tale that reminds us that mercy can shape even the most broken among us into an imperfect yet stunning masterpiece. A successful LA artist, Roman Velasco appears to have everything he could possibly want—money, women, fame. Only Grace Moore, his reluctant, newly hired personal assistant, knows how little

he truly has. The demons of Roman's past seem to echo through the halls of his empty mansion and out across his breathtaking Topanga Canyon view. But Grace doesn't know how her boss secretly wrestles with those demons: by tagging buildings as the Bird, a notorious but unidentified graffiti artist—an alter ego that could destroy his career and land him in prison. Like Roman, Grace is wrestling with ghosts and secrets of her own. After a disastrous marriage threw her life completely off course, she vowed never to let love steal her dreams again. But as she gets to know the enigmatic man behind the reputation, it's as if the jagged pieces of both of their pasts slowly begin to fit together . . . until something so unexpected happens that it changes the course of their

relationship—and both their lives—forever. “Rivers deftly threads Roman's and Grace's lives together as they tiptoe around their emotional scars, eventually shifting into a dance of tentative steps toward a love neither can resist. Inherit the Wind

The Powerful Courtroom Drama in which Two Men Wage the Legal War of the Century *Ballantine Books*

A classic work of American theatre, based on the Scopes Monkey Trial of 1925, which pitted Clarence Darrow against William Jennings Bryan in defense of a schoolteacher accused of teaching the theory of evolution The accused was a slight, frightened man who had deliberately broken the law. His trial was a Roman circus. The chief

gladiators were two great legal giants of the century. Like two bull elephants locked in mortal combat, they bellowed and roared imprecations and abuse. The spectators sat uneasily in the sweltering heat with murder in their hearts, barely able to restrain themselves. At stake was the freedom of every American. One of the most moving and meaningful plays of our generation. Praise for *Inherit the Wind* "A tidal wave of a drama."—New York World-Telegram And Sun "Jerome Lawrence and Robert E. Lee were classic Broadway scribes who knew how to crank out serious plays for thinking Americans. . . . *Inherit the Wind* is a perpetually prescient courtroom battle over the legality of teaching evolution. . . . We're still arguing this case—all the way to the White House."—Chicago Tribune

“Powerful . . . a crackling good courtroom play . . . [that] provides two of the juiciest roles in American theater.”—Copley News Service “[This] historical drama . . . deserves respect.”—The Columbus Dispatch

Award for Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. “A lyrical work of self-discovery that’s shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.” —Ron Charles, The Washington Post Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We’re Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a

family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between

disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. A Wrinkle in Time *GENERAL PRESS*

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and

stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the

most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Voices in the Night

Stories *Vintage*

From the Pulitzer and Story Prize winner: sixteen new stories—provocative, funny, disturbing, enchanting—that delve into the secret lives and desires of ordinary people, alongside retellings of myths and legends that highlight the aspirations of

the human spirit. Beloved for the lens of the strange he places on small town life, Steven Millhauser further reveals in *Voices in the Night* the darkest parts of our inner selves to brilliant and dazzling effect. Here are stories of wondrously imaginative hyperrealism, stories that pose unforgettably unsettling what-ifs, or that find barely perceivable evils within the safe boundaries of our towns, homes, and even within our bodies. Here, too, are stories culled from religion and fables: Samuel, who hears the voice of God calling him in the night; a young, pre-enlightenment Buddha, who searches for his purpose in life; Rapunzel and her Prince, who struggle to fit the real world to their dream. Heightened by magic, the divine, and the uncanny, shot through with sly and winning humor,

Voices in the Night seamlessly combines the whimsy and surprise of the familiar with intoxicating fantasies that take us beyond our daily lives, all done with the hallmark sleight of hand and astonishing virtuosity of one of our greatest contemporary storytellers.
