Sociology, 8th Edition. Posted By polity_admin_user. When Polity published Tony Giddens' first edition of Sociology in 1989, no one envisaged another seven editions stretching well into the twenty-first century. The purpose of that original book was to outline and promote a general sociological approach to the study of social life (a 'sociological imagination') alongside a review of the best sociological studies across many specialist fields.

Introduction To Sociology 8th Edition Anthony Giddens

This module introduces students to sociology and provides a foundation for further study in the subject. It begins with a general overview of the ways in which sociologists have made sense of the world we live in and how they construct theories to explain the patterns and regularities of social life. It examines the nature of 'society' and processes of historical change and it explores the origins and development of social institutions such as the family, education, work and religion.
