How to Structure an HL Business Management Internal

Assessment

Internal assessment is an integral part of the course and is compulsory for SL. It enables students to demonstrate the application of their skills and knowledge, and to pursue their personal interests, without the time limitations and other constraints that are associated with written examinations. The internal assessment should, as far as possible, be woven into normal classroom teaching and not be a separate activity conducted after a course has been taught.

The Business IA (HL) - SlideShare

HL internal assessment IB websites may not always be the

easiest to navigate, but they are generally comprehensive in coverage even if you have to dig deep to find what you are looking for and then combine available information. I think internal assessment in Business and Management tends to fall

into that 'dig deep and check for additional information' category. Let's examine where we should be looking for supporting material.
