Refugee protection in Europe : lessons of the Yugoslav ...

The 1951 Refugee

Convention was adopted to ensure the protection of rights by reconciling the interests of refugees with those of the states and communities receiving them, and in parallel, the right to seek asylum was firmly embedded within the system of human rights that shaped post-war Europe, and was incorporated in the Charter of Fundamental Rights.

CAFOD have produced a series of secondary resources surrounding the refugee crisis in Europe. Teaching idea (All KS) Have a go at the 'On the move' refugee simulation activity. Students begin by choosing what they are going to take from their belongings. They then work through a series of activities to follow a refugee family on their journey to safety.

Teaching ideas: migration and refugees

Though refugee and subsidiary protection status are defined by

EU law, humanitarian reasons are specific to national legislation and are not applicable in some of the EU Member States. In 2019, 38.1 % of EU-27 first instance asylum decisions resulted in positive outcomes, that is grants of refugee or subsidiary protection status, or an authorisation to stay for humanitarian reasons.

Asylum statistics - Statistics Explained

Through the combined analysis of macro-level state and European policies, meso-level organization's activities and micro-level individual behaviour, Refugee Protection and Civil Society in Europe presents a comprehensive exploration of the refugee regime in

motion, and will be of interest to scholars and students researching migration, social movements, European institutions and social work.

European Web Site on Integration - European Commission

However, recognition of a person as a refugee is vital to their protection and status. There is precedent elsewhere in the world for dealing with mass influx via prima facie status determination; in fact, the vast majority of refugees in the world attain their status in this way. This is a pragmatic response for when a host state's refugee status determination infrastructure has been overwhelmed – the situation in which Europe currently finds itself.

Uganda gives refugees the right to work and freedom of movement through its self-reliance model. The model has been widely praised as one of the

most progressive refugee policies in the world. New research by Alexander Betts, Imane Chaara, Naohiko Omata, and Olivier Sterck explores what difference the self-reliance model makes in practice.
