precarious reservation economy in which women pursue mixed livelihood strategies combining wage work, craft production, land-leasing, some stock raising, and various forms of government assistance. Berman traces what she calls the "ceremonial relations of production" involved in feasts, honorings, giveaways, and other ceremonial events.

The Workers That Kept Britain Going During The Second World

War The British government mobilised civilians more effectively than any other combatant nation. By 1944 a third of the civilian population were engaged in war work, including over 7,000,000 women. Minister of Labour Ernest Bevin was responsible for Britain's manpower resources.

...

The picture book opens to a width that effectively places the child at the center of a closed circle - that of mother's body, arms, and the picture book... That circle, so private and intimate, is a place apart from the demands and stresses of daily life, a sanctuary in and from which the child can explore the many worlds offered in picture books.
