The Art Of Stop Motion

The most influential stop-motion artist is Tim Burton, as his film, The Nightmare Before Christmas, was the first film to be made entirely with stop motion techniques. Previously, stop motion was used for shorts and special effects, and was designed to only hold the audience’s attention for a brief moment 6. This was because stop motion was and still is time consuming, thus involving the audience on an emotional level for 90 to 120 minutes was an arduous task.
