4.5 stars There are a lot of books that I like, but don't love. And, usually, I'll say something like, "I have hope that this title will get better." but I don't really mean it. Once a title starts on that downward slope, it takes a lot to get it back on track. And Earth 2 was one of those titles. I thought the first volume was pretty cool, but volume 2 started sliding down a bit, and then by ...
