A Note on Dissection
Dissecting animal
organisms is a tricky
subject which
ultimately some will
object to and that's
okay. For us, we
believe that with
careful scientific
exploration of animals
who were treated in
humane ways, we can
learn and teach our
students to be greater
stewards of the
environment, and
especially toward the
species they just
learned about.

Dissection is an indie
horror game available
on the PSN store for
the low price of \$4.99.
You are in a house and
all you have to do is
find the way to escape.
In the house is 1
roaming enemy, avoid
this 'living corpse'
while you search for
the key items to
complete the sequence
to unlock the front door
to escape, ending the
game.
