Handwriting Cursive Grades 2 And Up, Textbook

Build a solid foundation of forming letters with Traditional Handwriting: Beginning Cursive! The book is packed with letter practice pages grouped by similarity of formation so that students in grades 2-5 can practice letters with the same types of strokes.

Traditional Handwriting: Beginning Cursive, Grades 2 - 5 ...

This book doesn't teach cursive writing properly for all letters. Some examples: It doesn't teach a cursive Q at all- it just uses a print Q made to look a bit "loopier". It doesn't provide accurate

stroke directional for the capital I, making it impossible to link the I with the proceeding letters, which is what makes it faster than print, which is the purpose of cursive in the first place.
