Your values are a testament to your true self because they are what matters most to you when it comes to your personal and professional life. Your values influence that little voice in your head that tells you whether or not to care about something and how you should prioritize your time. Your values are the things that you believe are important in the way you live and work.

What Are Values And Why Do We Need Them For A Fulfilling Life

“Do not delude yourself, tomorrow is not guaranteed; and even if good fortune brings you your tomorrow, there is no guarantee those you love will be a part of it. Do not squander your precious, limited time. Value what love you have in your life - nothing is more valuable. Make it known to those who matter.” — Wayne Gerard Trotman
