John Constable's sketches Today, the pencil, pen, watercolour and oil sketches produced by John Constable (1776 – 1837) in the open air are valued for their freshness and vitality. However, at the time when Constable was working, the public expected a highly polished oil painting, executed in the studio.

V&A · John Constable's Sketches

Painted rapidly, wet-in-wet, Constable used short strokes and a restricted color palette to train his hand and eye, and to enhance the realism of his later paintings. He labeled almost all of these images with scientific precision, indicating the date, time, wind, and weather conditions under which they were painted.

John Constable (1776-1837) - The Metropolitan Museum of Art

Summary of John Constable. Along with J. M. W. Turner, Constable revolutionized landscape painting of the 19 th century and his paintings had a profound and far-reaching effect on European art, particularly in France. Constable moved away from the highly idealized landscapes that were the expected norm of the period and instead favored realistic depictions of the natural world created through close observation.

John Constable Paintings, Bio, Ideas | TheArtStory

Rebelling against the contemporary ideal of landscape as a background for a historical or mythological scene, Constable was one of the first artists of the Romantic Movement to view landscapes for their own beauty. His techniques and methods of capturing natural light and movement were innovative and still inspire artists to this day.

John Constable Style and Technique | artble.com

John Constable, RA (/ˈkɒnstəbəl, ˈkɒn-/; 11 June 1776 – 31 March 1837) was an English Romantic painter. Born in Suffolk, he is known principally for his landscape paintings of Dedham Vale, the area surrounding his home — now known as "Constable Country" — which he invested with an intensity of affection.

John Constable - 116 artworks - painting

Dedham Vale. This was one of Constable's first major paintings, created when he was 26. Painted in the brief hiatus between the end of the French revolutionary wars and the beginning of the Napoleonic wars the following year, the tranquillity of the image belies the wider political turmoil. Whilst the techniques that were to serve Constable so well in his later career are not yet fully developed the painting already demonstrates his commitment to the close observation of nature and this can ...

John Constable Artworks & Famous Paintings | TheArtStory

Constable had been regularly sketching in oil since 1808, and by 1810 he had achieved extraordinary deftness with the medium (he would often be associated with his oil sketches in the future). His art became far more focused about this time: his sketches were either discrete studies, or, befitting academic practice, they were made in preparation for preconceived easel paintings.

The Toy Chronicle | PJ Constable Creations

John Constable, RA was an English landscape painter in the Romantic tradition. Born in Suffolk, he is known principally for revolutionising the genre of landscape painting with his pictures of Dedham Vale, the area surrounding his home – now known as "Constable Country" – which he invested with an intensity of affection. "I should paint my own places best", he wrote to his friend John Fisher in 1821, "painting is but another word for feeling". Constable's most famous paintings include ...

John Constable - Wikipedia

John Constable's focus was on the natural English landscape that he idolized since childhood. His paintings rebelled against the work of artists of the Neoclassical style who had simply used landscape to display historical and mythical scenes.

John Constable | artble.com

Constable is famous for his landscapes, which are mostly of the Suffolk countryside, where he was born and lived. He made many open-air sketches, using these as a basis for his large exhibition paintings, which were worked up in the studio.

John Constable (1776 - 1837) | National Gallery, London

When the present drawing was executed Constable's main point of reference was Smith's work. Keen to help develop his protégé's skills, the older artist had sent him casts of sculpture, books and his own drawings.
