Jesus and Buddha *Ulysses Press*

Discover the teachings of Jesus and Buddha with over 100 examples presented side by side to reveal striking similarities. A perfect book for anyone interested in Christianity, Buddhism, mindfulness, meditation, and all ways of seeking enlightenment. This stunning collection is perfect for those curious about the influential teachers,

Jesus and Buddha, and their lessons of peace, love, patience, and kindness. Witness as two of the most holy beings meet in a thought-provoking encounter of the spirit. Compare the Bible verse: "Jesus knew all people and needed no one to testify about anyone; for he himself knew what was in everyone" (John 2.24-25) to the Buddhist scripture: "He was expert in knowing the thoughts and actions of living beings" (Vimalakirtinirdesha Sutra 2). Jesus and Buddha is a timeless testament to what makes us similar rather than different. This enlightening book also makes a great gift.

Jesus, Buddha, Krishna, and Lao Tzu

Hampton Roads Publishing

Draws parallels between different religious faiths by presenting side-by-side comparisons of four leaders' teachings on topics such as knowledge, suffering, death, and liberation, along with commentaries for each topic.

Jesus and Lao Tzu
ReadHowYouWant.com

Comparing the New Testament with the Tao Te Ching, Taoisms most sacred book, Jesus and Lao Tzu reveals a surprising set of examples in which these two spiritual masters point their followers in the same direction. With over 90 parallel sayings, readers find fresh understanding and new perspectives here,

since the time-honored teachings are presented side by side. The book also shows how these shared truths transcend traditional religious boundaries.

Jesus & Buddha *Orbis Books*

Jesus, Buddha, Krishna, Lao Tzu *Sanctuary Publications, Inc*

This book contains fourteen chapters divided by topic, with an introduction to each by the editor. The sayings attributed to the four spiritual masters are arranged side by side over two pages. The book also contains a wealth of photographs, an appendix and a general introduction.

Einstein and Buddha

Ulysses Press

Einstein and Buddha: The Parallel Sayings includes introductory remarks that illuminate the quotes, but the focus of the book is the parallel sayings themselves. The parallels are presented side by side on facing pages, inviting the reader to read the quotes, meditate on their meaning and discover the lessons they offer. The parallels are grouped thematically and draw from a wide range of physicists including Albert Einstein, Niels Bohr, Werner Heisenberg, David Bohm and Richard Feynman, as well as ancient and contemporary teachers from the East including Buddha, Lao Tzu, Chuang Tzu, Sri Aurobindo and the

Dalai Lama. Topics include time and space, subject and object, and the true nature of reality. The parallels bring science and religion closer together than ever before.

Compassion and Meditation *Simon and Schuster*

A profound reflection on how complementary themes in Buddhism and Christianity could serve as the basis for a truly ecumenical faith • Compares Zen meditation with the Greek Orthodox practice of Hesychasm (prayer of the heart) • Shows how Buddha and Jesus represent the distinct yet complementary values of meditation and compassion In Asian spiritual traditions the mountain traditionally

symbolizes meditation while the ocean signifies compassion. Jean-Yves Leloup uses this metaphor to compare Buddhist and Christian approaches to meditation and compassion to reveal the similarities and divergences of these profound practices. Emphasizing their complementary nature, Leloup describes how Jesus and Buddha are necessary to one another and how together they form a complete system: Jesus as awakening through love, and Buddha as awakening through meditation. Where Buddha represents the forests, Jesus represents the trees. Buddha is brother to the universe, whereas Jesus is brother to humanity. Nevertheless, these

two religious traditions have a profound common ground. Compassion is central to Buddhism, and meditation practices have been central to many Christian traditions. Both view murder, theft, and the destructive use of sexuality as great barriers to realizing our essential being, and both agree on the need to rise above them. Here, however, Leloup suggests that both faiths could benefit from the precepts of the other. The complementary aspects of Christianity and Buddhism offer the possibility for a truly profound ecumenical religion whose interfaith relations are based on deep understanding of the true meaning and practice of meditation

and compassion and not merely shared goodwill.

Going Home *Random House*

Thich Nhat Hanh has become known as a healer of the heart, a monk who shows us how the everyday world can both enrich and endanger our spiritual lives. In this book, Jesus and Buddha share a conversation about prayer and ritual and renewal, and about where such concepts as resurrection and the practice of mindfulness converge. In this unique way, Thich Nhat Hanh shows the brotherhood between Jesus and Buddha-- and in the process shows how we can take their wisdom into the world with us, to "practice in such a way that

Buddha is born every moment of our daily life, that Jesus Christ is born every moment of our daily life."

Yeshua Buddha *Quest Books*

Jay Williams' approach to the study of the life of Christ simply overflows with intuitional creativity, permitting students to find for themselves trans-historical, yet new and existential situations in the Biblical story. Buddha means "the Enlightened One," and the author uses this word in the generic sense. He explores the possibility that Yeshua represents a way to enlightenment which is neither Western nor Eastern but universal and perennial, a way often misunderstood by Christian

theologians.

Jesus and Buddha: a Conversation

*Createspace
Independent Publishing Platform*

Though seen as divided along denominational and East/West lines, Jesus and Buddha are surprisingly in-step when it comes to the human experience and the basics of living. This book will contrast and compare their teachings.

The Lotus and the Cross *Multnomah*

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the Conversations with Jesus series. Have you ever wondered what Jesus would say to

Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose search for the meaning of life took them in many directions--and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

Catholicism and Buddhism *Wipf and Stock Publishers*

The recent tide of books comparing Christianity and

Buddhism has centered mostly on similarities. The Dalai Lama, for example, provided his opinions on Christianity in a popular book, *The Good Heart: A Buddhist Perspective on the Teachings of Jesus* (1996). Other writers have equally sought to describe these two traditions as "two paths to the same place." Finding these approaches overly simplified, Anthony Clark confronts the distinctions between Buddhism and Catholic Christianity, acknowledging areas of confluence, but also discerning areas of abiding difference. Clark provides here a Catholic view of Buddhism that avoids obfuscations, seeking clarity for the sake of more productive dialogue.

Without Buddha I Could Not be a Christian

Oneworld Publications

Without Buddha I Could not be a Christian narrates how esteemed theologian, Paul F. Knitter, overcame a crisis of faith by looking to Buddhism for inspiration. From prayer to how Christianity views life after death, Knitter argues that a Buddhist standpoint can encourage a more person-centred conception of Christianity where individual religious experience comes first, and liturgy and tradition second. Moving and revolutionary, this edition comes with a new conclusion - 'Jesus and Buddha Both Come First!' 'A

compelling example of religious inquiry.' New York Times 'One of the finest contemporary books on the encounter between religions in the heart and soul of a single thoughtful person.' Library Journal

Mindfulness *Orbis Books*

The Lotus and the Lily *Mango Media Inc.*

A guide to accessing your true self and living abundantly, based on the teachings of Jesus and Buddha, by the bestselling author of Writing Down Your Soul. The Lotus and the Lily offers a new thirty-day program for accessing your true creativity, breakthrough thinking, and divine guidance. Janet Conner continues her unique method of

deep soul writing by showing readers how to exit their conscious minds, get in touch with their authentic selves, and activate the voice of wisdom within. For those seeking the riches that lie beyond the popular explanation of the Law of Attraction, Lotus and the Lily cracks the abundance code by linking the wisdom of the inner voice with the surprising parallel teachings of Jesus and Buddha. In a profound yet simple program, Conner sheds radical new light on how to: Awaken your inner shaman Discover the power of naming your past and your future Experience the generative power of your own voice Each day is reflective of you. Lotus and the Lily is a book with an array of prompts for reading, reflection, writing, exploring, and nourishing one's soul. Each week Janet Conner takes you through a program of rich exploration and redirects you from asking for things, to creating the receptive conditions that nourish a bountiful life. If you enjoyed The Gifts of Imperfection, The Untethered Soul, or The Power of Now, then you'll want to read Lotus and the Lily. "The principles that Janet Conner guides the reader to discover become the essential elements of a dynamic spiritual practice. These principles transcend denomination and dogma. They are practical, universal, and impacting." —Mary Anne Radmacher,

author of *Live with Intention*

Living Buddha, Living Christ *Random House*

'Thich Nhat Hanh is a holy man, for he is humble and devout. He is a scholar of immense intellectual capacity. His ideas for peace if applied, would build a monument of ecumenism, to world brotherhood, to humanity.' Martin Luther King, Jr. Buddha and Jesus Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over the course of two millennia. If they were to meet on the road today, what would each think of the

other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between the two greatest living contemplative traditions, and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider. In a lucid, meditative prose, he explores the crossroads of compassion and holiness at which Buddhism and Christianity meet, and reawakens our understanding of both.

Meeting Jesus Again for the First Time *Harper Collins*

Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for

personal faith. Now, in *Meeting Jesus Again for the First Time*, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than oppresses our critical intelligence and openness to the best of historical scholarship. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining. "Believing in Jesus does not mean believing doctrines about him," Borg writes. "Rather, it means to give one's heart, one's self at its deepest level, to . . . the living Lord." Drawing on his own journey from a naive, unquestioning belief in Christ through

collegiate skepticism to a mature and contemporary Christian faith, Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life—one not rooted in creeds or dogma, but in a life of spiritual challenge, compassion, and community. In straightforward, accessible prose, Borg looks at the major findings of modern Jesus scholarship from the perspective of faith, bringing alive the many levels of Jesus' character: spirit person, teacher of alternative wisdom, social prophet, and movement founder. He also reexamines the major stories of the Old Testament vital to an authentic understanding of Jesus,

showing how an enriched understanding of these stories can uncover new truths and new pathways to faith. For questioning believers, doubters, and reluctant unbelievers alike, *Meeting Jesus Again for the First Time* frees our understanding of Jesus' life and message from popular misconceptions and outlines the way to a sound and contemporary faith: "For ultimately, Jesus is not simply a figure of the past, but a figure of the present. Meeting that Jesus—the living one who comes to us even now—will be like meeting Jesus again for the first time."

The God We Never Knew *HarperOne*

Explains how to create an authentic

contemporary faith that reconciles God with critical thinking, religious pluralism, and science

The Gospel of Buddha

We Were Made for These Times *Parallax Press*

In ten concise chapters, you'll learn powerful ways to meet life's challenges with wisdom, resilience, and ease. We all go through times when it feels like the ground is being pulled out from under us. What we relied on as steady and solid may change or even appear to vanish. In this era of global disruption, threats to our individual, social, and planetary safety abound, and at times life can feel overwhelming. Not

only are loss and separation painful, but even positive changes can cause great stress. Yet life is full of change: birth, death, marriage, divorce; a new relationship; losing or starting a job; beginning a new phase in life or ending one. Change is stressful, even when it is much desired or anticipated—the unknown can feel scary and threatening. In *We Were Made for These Times*, the extraordinary mindfulness teacher Kaira Jewel Lingo imparts accessible advice on navigating difficult times of transition, drawing on Buddhist teachings on impermanence to help you establish equanimity and resilience. Each chapter in *We Were*

Made for These Times holds an essential teaching and meditation, unfolding a step-by-step process to nurture deeper freedom and stability in daily life. Time-honored teachings will help you develop ease, presence, and self-compassion, supporting you to release the fear and doubt that hold you back.

Why Did Jesus, Moses, the Buddha, and Mohammed Cross the Road?
Hachette UK

When four religious leaders walk across the road, it's not the beginning of a joke. It's the start of one of the most important conversations in today's world. Can you be a committed Christian without

having to condemn or convert people of other faiths? Is it possible to affirm other religious traditions without watering down your own? In his most important book yet, widely acclaimed author and speaker Brian McLaren proposes a new faith alternative, one built on "benevolence and solidarity rather than rivalry and hostility." This way of being Christian is strong but doesn't strong-arm anyone, going beyond mere tolerance to vigorous hospitality toward, interest in, and collaboration with the other. Blending history, narrative, and brilliant insight, McLaren shows readers step-by-step how to reclaim this strong-benevolent faith, challenging us to stop creating barriers

in the name of God and learn how affirming other religions can strengthen our commitment to our own. And in doing so, he invites Christians to become more Christ-like than ever before.

The Buddha's Gospel *lindsay falvey*

Described as 'unique and a great service to understanding', this book is intended for three groups; Western Buddhists, that bulk of the West that have no religious affiliation yet know there is something more to life, and Buddhists in Asia who follow the encounter of the dharma with the West. It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally presented. In

its six chapters and appendix, it compares the two great teachers, the Buddha and Jesus, briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist 'imitation' of these words based on the hypothetical 'Sayings of Jesus'. It then considers congruence between the Buddha's and Jesus' teachings before offering both Buddhist and Christian interpretations. An appendix re-presents the Buddhist imitation of Jesus' words as a continuous text. Dr. Falvey introduces his work ... 'Jesus speaking the Buddha's words' exudes audacity and ignorance, yet this work essentially wrote itself as a product of my socialization, a

modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism. Differences between the two traditions – such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of teachings of both traditions.

God Is Not One

ReadHowYouWant.com fascinating guide to religion and its place in the world today. In *God Is Not One*, bestselling author Stephen Prothero makes a fresh and provocative argument that, contrary to popular understanding, all religions are not simply

"different paths to the same God." Instead, he shows that the differences between the major religions are far greater than we think: they each ask different questions, tackle different problems, and aim at different goals. *God Is Not One* highlights the unique aspects of the world's major religions, with chapters on Islam, Christianity, Confucianism, Hinduism, Buddhism, Yoruba religion, Judaism, Daoism and atheism. Lucid and compelling, *God Is Not One* offers a new understanding of religion for the twenty-first century.

Four Wise Men *Wipf and Stock Publishers*
Confucius, the Buddha, Jesus, and Muhammad are among the most

thoughtful and influential people in history. By their words and examples, they have inspired countless individuals to live better and more meaningful lives and have shaped the institutions and worldviews we live in today. *Four Wise Men* is an accessible introduction to each of these sages in his historical context and a provocative comparison of their lives and teachings. Through careful study, this book examines the ways these fascinating figures speak as one and the ways they differ. Although their voices come from the distant past, they still have wise words to say to us today.

Socrates, Buddha, Confucius, Jesus

*Houghton Mifflin
Harcourt*

A part of Jaspers's planned universal history of philosophy, focusing on the four paradigmatic individuals who have exerted a historical influence of incomparable scope and depth. Edited by Hannah Arendt; Index. Translated by Ralph Manheim.

**Zen and the Birds of
Appetite** *New
Directions Publishing*

Merton, one of the rare Western thinkers able to feel at home in the philosophies of the East, made the wisdom of Asia available to Westerners. "Zen enriches no one," Thomas Merton provocatively writes in his opening statement to *Zen and the Birds of Appetite*--one of the

last books to be published before his death in 1968. "There is no body to be found. The birds may come and circle for a while... but they soon go elsewhere. When they are gone, the 'nothing,' the 'no-body' that was there, suddenly appears. That is Zen. It was there all the time but the scavengers missed it, because it was not their kind of prey." This gets at the humor, paradox, and joy that one feels in Merton's discoveries of Zen during the last years of his life, a joy very much present in this collection of essays. Exploring the relationship between Christianity and Zen, especially through his dialogue with the great Zen teacher D.T. Suzuki, the book makes an excellent

introduction to a comparative study of these two traditions, as well as giving the reader a strong taste of the mature Merton. Never does one feel him losing his own faith in these pages; rather one feels that faith getting deeply clarified and affirmed. Just as the body of "Zen" cannot be found by the scavengers, so too, Merton suggests, with the eternal truth of Christ.

**Living Buddha,
Living Christ 20th
Anniversary Edition**
Penguin

"[Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth." -- His Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace

Prize, Thich Nhat Hanh is one of today's leading sources of wisdom, peace, compassion and comfort. The 20th anniversary edition of the classic text, updated, revised, and featuring a Mindful Living Journal. Buddha and Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between two great contemplative traditions, and brings to Christianity an

appreciation of its beauty that could be conveyed only by an outsider. IN lucid, meditative prose, he explores the crossroads of compassion and holiness at which the two traditions meet, and he reawakens our understanding of both. "On the altar in my hermitage," he says, "are images of Buddha and Jesus, and I touch both of them as my spiritual ancestors."

Hell *Thomas Nelson*

"The best book on hell ever written". - Dr. Eastman, founding member and president, America's National Prayer Committee
Anthony DeStefano, the bestselling author of *A Travel Guide to Heaven*, takes us on an exploration of hell, the devil, demons, and evil

itself. Written with clarity, logic, and vivid storytelling, *Hell: A Guide* takes up questions such as: Is hell a place or a state of being? What does hell look like? What kind of suffering do people in hell experience? What are the devil and demons really like? Rooted in solid, orthodox Christian scholarship, this one-of-a-kind book investigates everything there is to know about one of the most fascinating, yet often misunderstood, subjects of all time.

Why Buddhism is True *Simon and Schuster*

From one of America's most brilliant writers, a New York Times bestselling journey through psychology, philosophy, and lots of

meditation to show how Buddhism holds the key to moral clarity and enduring happiness. At the heart of Buddhism is a simple claim: The reason we suffer—and the reason we make other people suffer—is that we don't see the world clearly. At the heart of Buddhist meditative practice is a radical promise: We can learn to see the world, including ourselves, more clearly and so gain a deep and morally valid happiness. In this "sublime" (The New Yorker), pathbreaking book, Robert Wright shows how taking this promise seriously can change your life—how it can loosen the grip of anxiety, regret, and hatred, and how it can deepen your appreciation of beauty and of other people. He also shows why this transformation works, drawing on the latest in neuroscience and psychology, and armed with an acute understanding of human evolution. This book is the culmination of a personal journey that began with Wright's landmark book on evolutionary psychology, *The Moral Animal*, and deepened as he immersed himself in meditative practice and conversed with some of the world's most skilled meditators. The result is a story that is "provocative, informative and...deeply rewarding" (The New York Times Book Review), and as entertaining as it is illuminating. Written with the wit, clarity,

and grace for which Wright is famous, *Why Buddhism Is True* lays the foundation for a spiritual life in a secular age and shows how, in a time of technological distraction and social division, we can save ourselves from ourselves, both as individuals and as a species.

Resurrecting Jesus *Sounds True*

For almost two millennia, the story of Jesus has shaped the lives of countless people. Yet today, even though the majority of us grew up in a culture suffused by the mythos of Jesus, many of us feel disconnected from the essence of his teachings. With *Resurrecting Jesus*, Adyashanti invites us

to rediscover the life and words of Jesus as a direct path to the most radical of transformations: spiritual awakening. Jesus crossed all of the boundaries that separated the people of his time because he viewed the world from the perspective of what unites us, not what divides us. In *Resurrecting Jesus*, Adya embarks on a fascinating reconsideration of the man known as Jesus, examining his life from birth to Resurrection to reveal a timeless model of awakening and enlightened engagement with the world. Through close consideration of the archetypal figures and events of the Gospels, Adya issues a call to “live the Christ” in a way that is unique to

each of us. "When the eternal and the human meet," writes Adya, "that's where love is born—not through escaping our humanity or trying to disappear into transcendence, but through finding that place where they come into union." Resurrecting Jesus is a book for realizing this union in your own life, with heart and mind wide open to the mystery inside us all. With an all-new foreword by Episcopal priest and scholar Cynthia Bourgeault.

God among Sages

Baker Books

Was Jesus just a spiritual leader, like Buddha, Krishna, Confucius, and Muhammad? Or is he something more--something else

entirely? In *God among Sages*, apologist Ken Samples offers readers a biblical and historical portrait of Jesus, grounded in the claims Jesus makes about himself. Then Samples compares and contrasts Jesus with Buddha, Krishna, Confucius, and Muhammad using eight relevant categories of evaluation. He also helps readers understand the competing philosophies of religious pluralism, inclusivism, and exclusivism. The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself, worthy of our full allegiance and worship. Christians who struggle to answer claims that Jesus was just a good

teacher, as well as those haven't quite made up their minds about Jesus's claims to divinity, will value this accessible introduction to comparative religions.

Cold-Case

Christianity *David C Cook*

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. *Christianity* could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally

recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Zen Teachings of Jesus *Crossroad Publishing Company*

This is the spiritual side of Zen, that art to trust

and accept life that coincides with the core of the Gospel message.

Founders of Faith
Baha'i Pub

An exploration of the lives of the messengers of major religions and finds common ground in their backgrounds, missions, teachings, and legacies, and finds the patterns that link these founders of world religions.

Buddhism without Beliefs *Penguin*

A national bestseller and acclaimed guide to Buddhism for beginners and practitioners alike In this simple but important volume, Stephen Batchelor reminds us that the Buddha was not a mystic who claimed privileged, esoteric

knowledge of the universe, but a man who challenged us to understand the nature of anguish, let go of its origins, and bring into being a way of life that is available to us all. The concepts and practices of Buddhism, says Batchelor, are not something to believe in but something to do—and as he explains clearly and compellingly, it is a practice that we can engage in, regardless of our background or beliefs, as we live every day on the path to spiritual enlightenment.

Bible Myths and Their Parallels in Other Religions

How God Works
Simon and Schuster

Drawing on a wealth of new evidence,

pioneering research psychologist David DeSteno shows why religious practices and rituals are so beneficial to those who follow them—and to anyone, regardless of their faith (or lack thereof). Scientists are beginning to discover what believers have known for a long time: the rewards that a religious life can provide. For millennia, people have turned to priests, rabbis, imams, shamans, and others to help them deal with issues of grief and loss, birth and death, morality and meaning. In this absorbing work, DeSteno reveals how numerous religious practices from around the world improve emotional and physical well-being. With empathy and rigor, DeSteno chronicles religious rites and traditions from cradle to grave. He explains how the Japanese rituals surrounding childbirth help strengthen parental bonds with children. He describes how the Apache Sunrise Ceremony makes teenage girls better able to face the rigors of womanhood. He shows how Buddhist meditation reduces hostility and increases compassion. He demonstrates how the Jewish practice of sitting shiva comforts the bereaved. And much more. DeSteno details how belief itself enhances physical and mental health. But you don't need to be religious to benefit from the trove of wisdom that religion has to offer. Many items in religion's

“toolbox” can help the body and mind whether or not one believes. How God Works offers advice on how to incorporate many of these practices to help all of us live more meaningful, successful, and satisfying lives.

The Gospel According to Jesus

Harper Collins

A dazzling presentation of the life and teachings of Jesus by the eminent scholar and translator Stephen Mitchell.

The Good Heart

Simon and Schuster

This landmark of interfaith dialogue will inspire readers of all faiths. In *The Good Heart*, The Dalai Lama provides an extraordinary Buddhist

perspective on the teachings of Jesus. His Holiness comments on well-known passages from the four Christian Gospels, including the Sermon on the Mount, the parable of the mustard seed, the Resurrection, and others. Drawing parallels between Jesus and the Buddha — and the rich traditions from which they hail — the Dalai Lama delivers a profound affirmation of the sacred in all religions. Readers will be uplifted by the exploration of each tradition’s endless merits and the common humanity they share.
