During the first two and a half years of combat, the United States was a neutral party and the economic boom came primarily from exports. The total value of U.S. exports grew from \$2.4 billion in 1913 to \$6.2 billion in 1917. Most of that went to major Allied powers like Great Britain, France, and Russia, which scrambled to secure American cotton, wheat, brass, rubber, automobiles, machinery, wheat, and thousands of other raw and finished goods.

The Great Transformation is a book by Karl Polanyi, a Hungarian-American political economist. First published in 1944 by Farrar & Rinehart, it deals with the social and political upheavals that took place in England during the rise of the market economy. Polanyi contends that the modern market economy and the modern nation-state should be understood not as discrete elements but as the single human invention he calls the "Market Society". A distinguishing characteristic of the "Market Society" is

Introducing the 'Great Reset,' world leaders' radical plan ...

Franklin Delano Roosevelt ("FDR") was the 32nd president of the United States from 1933 to 1945. He was sworn into office at the height of the Great Depression and immediately worked to launch a series of programs and projects that came to be collectively known as the New Deal. Years later, FDR brought the nation into World War II, and wartime military spending helped end the depression.

Franklin D. Roosevelt's Economic Policies and Accomplishments

The Great Reset agenda would have three main components. The first would steer the market toward fairer outcomes. To this end, governments should improve coordination (for example, in tax, regulatory, and fiscal policy), upgrade trade arrangements, and create the conditions for a “stakeholder economy.”

Now is the time for a 'great reset' - World Economic Forum

The Great Depression was a severe worldwide economic depression that took place mostly during the 1930s, beginning in the United States. The timing of the Great Depression varied across the world; in most countries, it started in 1929 and lasted until the late 1930s. It was the longest, deepest, and most widespread depression of the 20th century.
