Intro To Land Law

Introduction to Land Law. Land Law focuses upon the uses and supply of land. It looks to facilitate how an owner of land may use it or moderate how others do so; this relationship can develop into 'interests' in the land. This module will examine the different interests that a person may have in land and how the law seeks to resolve conflicts through statute, common law and equity.

For any student of Land Law I say this book is an absolute must. After attempting to get ahead around the ins and outs of land law, Gardner presents it beautifully clearly and is concise. Used in conjunction with a larger textbook to get more in depth analysis of the various topics, this makes land law seem a lot simpler and much more accessible.

An Introduction to Land Law: Amazon.co.uk: Simon Gardner ...

This chapter provides an introduction to land law and the subject's foundational principles. Land law is the law of real property. It is 'that part of the general law which governs the allocation of rights and responsibilities in relation to "real" or "immoveable" property'. Land law is about rights in things; in other words, rights in the land rather than rights which are merely personal to the people who created them.

1. Introduction to Land Law - Law Trove

Land law is about rights in things; in other words, rights in the land rather than rights which are merely personal to the people who created them. More specifically, land law creates a framework in which a variety of relationships between people and land can operate. Land law is concerned with the nature, creation, and protection of rights in land and, also the content of those rights.

An Introduction to Land Law

Land law is concerned with the rights of a landowner in or over his own land and the rights (or 'interests') that others may have over that land. Law of conveyancing is concerned with the mechanics of the creation and transfer of rights in and over land, usually, but not necessarily, pursuant to a contract between a seller and a purchaser.

Land law - Designing Buildings Wiki

2.1.1 Fixtures and Chattels – Introduction. Welcome to the second lesson of the second topic in this module guide – Chattels and Fixtures! Deciding whether an object is a fixture or a chattel is important to discover whether the item is considered as part of the land, and as such will pass with it. At the end of this section, you should be comfortable applying the common law principles and tests to objects in order to establish what on land constitutes a fixture or a chattel.

Fixtures and Chattels - Introduction - Law Teacher

Property is a concept used to describe the legal relationship between persons and 'things'. Property law focuses on the boundaries of land and the importance of distinguishing between real and personal property. There are two types of real property: • Corporeal hereditaments; Tangible, visible objects e.g. above land.

PROPERTY LAW SUMMARY

Gardner and MacKenzie's An Introduction to Land Law has been widely acclaimed by students and teachers for the distinctively informative and stimulating way in which it addresses this challenging subject. Concise and highly readable, it covers the main points of land law found in the syllabuses of law schools in England and Wales.

An Introduction to Land Law: Simon Gardner: Hart Publishing

Available in English and Afrikaans, the seventh edition of Introduction to the Law of Property endeavours to provide a picture of property law in the new constitutional system, and therefore a few chapters on the constitutional property clause and land reform have been included.

Juta | Introduction to the Law of Property

About An Introduction to Land Law. The rules of land law are numerous, complex, and in some cases baffling to students. The study of land law is also often portrayed as dull. Too frequently those who find success in working out how the law operates in other areas find themselves defeated by land law. Even the great jurist Blackstone, while maintaining that 'there is nothing which so generally strikes the imagination, and engages the affections of mankind, as the right of property', also ...
