White Nation: fantasies of white supremacy in a multicultural society is a journey through the lived, rather than the official, realities of Western multiculturalism. An anthropologist, Hage dismantles that peculiar feature of dominant white groups that so generously 'allow' others to co-exist with them.

White Nation: Fantasies of White Supremacy in a ...

Hage dissects a White Nation fantasy among segments of the population who are particularly worried about the presence of 'Third World-looking people'. Hage's emphasis on 'the look' is important in tracking Whiteness, an organising principle that controls and positions 'ethnics' within the Australian social space.
