Stars in My Pocket Like Grains of Sand *Wesleyan University Press*
The story of a truly galactic civilization with over 6,000 inhabited worlds.

Stars in My Pocket Like Grains of Sand *Hachette UK*
The only survivor plucked from a world where life has been burned out from horizon to horizon, Rat Korga is a very unusual human. On his own world he was subjected to Radical Anxiety Termination-a synapse-jamming technique banned on many planets. Now the officials of the Web must find a new world for him. Their first choice is the planet Velm: a world on which

humans co-exist uneasily with the trisauian evelmi - and also the world of Marq Dyeth, for whom Korga is calculated to be the perfect erotic object, to about seven decimal places . . .

Conversations with Samuel R. Delany *Univ. Press of Mississippi*
Interviews with the author of Dhalgren; Babel-17; Stars in My Pocket like Grains of Sand; the Nevéryon cycle; and Times Square Red, Times Square Blue

Nova *Gollancz*
The balance of galactic power in the 31st century revolves around Illyrion, the most precious energy source in the universe. Captain Lorq van Ray's varied and exotic crew know their mission is dangerous, but they have no idea of Lorq's secret obsession: to gather Illyrion at source by flying through the very heart of an imploding star.

Poem in My Pocket *Kids Can Press Ltd*
Rhyming, fanciful allegory of the creative writing process. When a child's carefully written poem slips out of a ripped pocket, its words join randomly with other words to form funny riffs and puns all over a busy city street. The child scrambles to capture the loose words and arrange them back into poem form, only to lose them again as a storm swoops in. Eventually, the words plant themselves in the muddy ground, growing into something that might be even better than the original poem: a Poet-Tree. A poem is never really lost. The words may just need a little room to play.

Angel in My Pocket *Feiwei & Friends*
When Bette finds an angel coin among the money collected in a carwash, she puts it in her pocket and forgets about it. But things start to change, especially once Gabby, a mysterious and kind new neighbor, moves into Bette's Chicago building. Suddenly, Bette is able to face some big losses—her mother's recent death; her sister's departure for college—and move forward. And once the angel coin falls into the hands of three other kids in Bette's class, their lives change, too. Soon, these two girls and two boys will be connected in ways that open them up to unlikely friendships and new ways to believe in themselves. Here is an entirely new twist on the angel trend.

Through the Valley of the Nest of Spiders
Follows the lives of Eric Jeffers and Morgan Haskell, two African Americans who meet at the ages of seventeen and nineteen, respectively, become a couple, and spend the next sixty years together.

Stars in My Pocket Like Grains of Sand

What Makes This Book So Great

Re-Reading the Classics of Science Fiction and Fantasy *Tor Books*
As any reader of Jo Walton's Among Others might guess, Walton is both an inveterate reader of SF and fantasy, and a chronic re-reader of books. In 2008, then-new science-fiction mega-site Tor.com asked Walton to blog regularly about her re-reading—about all kinds of older fantasy and SF, ranging from acknowledged classics, to guilty pleasures, to forgotten oddities and gems. These posts have consistently been among the most popular features of Tor.com. Now this volumes presents a selection of the best of them, ranging from short essays to long reassessments of some of the field's most ambitious series.

Among Walton's many subjects here are the Zones of Thought novels of Vernor Vinge; the question of what genre readers mean by "mainstream"; the underappreciated SF adventures of C. J. Cherryh; the field's many approaches to time travel; the masterful science fiction of Samuel R. Delany; Salman Rushdie's *Midnight's Children*; the early Hainish novels of Ursula K. Le Guin; and a Robert A. Heinlein novel you have most certainly never read. Over 130 essays in all, *What Makes This Book So Great* is an immensely readable, engaging collection of provocative, opinionated thoughts about past and present-day fantasy and science fiction, from one of our best writers. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Return to Nevèrÿon *Open Road Media*

Slavery is outlawed, Nevèrÿon is free, and Gorgik the Liberator must revisit the mines for a final struggle where he himself was once a slave. Alone in a deserted castle in the Nevèrÿon countryside, a great warrior and a young barbarian meet at midnight to tell each other tales from their intersecting lives. But are they really alone? And, if they aren't, what will it mean for Nevèrÿon . . . ? The three stories in this volume end Samuel R. Delany's *Return to Nevèrÿon* saga and cycle. But they are also its beginning—taking us back to the start of Gorgik's epic—although, from what we've learned from the others, even that has become an entirely new story, though not a word in it has been changed . . . This ebook features an illustrated biography of Samuel R. Delany including rare images from his early career.

The Stars in Our Pockets

Getting Lost and Sometimes Found in the Digital Age *Beacon Press*

What shapes our sense of place, our sense of time, and our memory? How is technology changing the way we make sense of the world and of ourselves? Our screens offer us connection, especially now in the wake of the COVID-19 pandemic, but there are certain depths of connection our screens can't offer—to ourselves, to the natural world, and to each other. In this personal exploration of digital life's impact on how we see the world, Howard Axelrod marshals science, philosophy, art criticism, pop culture, and his own experience of returning from two years of living in solitude in northern Vermont. *The Stars in Our Pockets* is a timely reminder of the world around us and the worlds within us—and how, as alienated as we may sometimes feel, they were made for each other.

Empire Star *Macmillan Reference USA*

DISTANT STARS *iBooks*

"Delany has a grasp of the evolutionary nature of mythology, a subtle comic touch, and a lyric sense of the outsider making his unorthodox way in the world--or worlds--that give his work a dimension unusual..."

Triton

Critical Theory and Science Fiction *Wesleyan University Press*

Carl Freedman traces the fundamental and mostly unexamined relationships between the discourses of science fiction and critical theory, arguing that science fiction is (or ought to be) a privileged genre for critical theory. He asserts that it is no accident that the upsurge of academic interest in science fiction since the 1970s coincides with the heyday of literary theory, and that likewise science fiction is one of the most theoretically

informed areas of the literary profession. Extended readings of novels by five of the most important modern science fiction authors illustrate the affinity between science fiction and critical theory, in each case concentrating on one major novel that resonates with concerns proper to critical theory. Freedman's five readings are: *Solaris*: Stanislaw Lem and the Structure of Cognition; *The Dispossessed*: Ursula LeGuin and the Ambiguities of Utopia; *The Two of Them*: Joanna Russ and the Violence of Gender; *Stars in My Pocket Like Grains of Sand*: Samuel Delany and the Dialectics of Difference; *The Man in the High Castle*: Philip K. Dick and the Construction of Realities.

Out of My Mind *Simon and Schuster*

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

The Novels of Samuel R. Delany Volume One

Babel-17, Nova, and Stars in My Pocket Like Grains of Sand *Open Road Media*

Three groundbreaking novels from the multiple Hugo and Nebula Award-winning Science Fiction and Fantasy Hall of Famer and SFWA Grand Master. *Babel-17*: Rydra Wong is the most popular poet in the five settled galaxies, capturing the mood of mankind after two decades of war. Now, a new weapon has been unleashed against humanity. Random attacks strike without warning, tied together by broadcast strings of sound. In that gibberish, Rydra recognizes a coherent language. To save her people, she must master this strange tongue, but the more she learns, the more she is tempted to join the other side, in this Nebula Award-winning novel. *Nova*: The year is 3172. Two political families—the Earth-based galactic conglomerate Draco and the Pleiades Federation of the Von Ray Clan—vie for ultimate power. Both want to control the market for Illyrion, the element that makes interstellar travel possible. When a star implodes, tons of the priceless fuel is discovered floating in the wreckage. Now, in a race to claim it, Lorq Von Ray leads a crew of ragtag misfits into the heart of a dangerous nova . . . *Stars in My Pocket Like Grains of Sand*: Subjected to the Radical Anxiety Termination procedure, Korga is transformed into a dim-witted slave. Now known as Rat, Korga serves many masters—until the Cultural Fugue, a critical mass of shared knowledge, destroys his homeworld. Marq Dyeth is an "industrial diplomat," who travels between worlds solving problems that come with the spread of "General Information." Brought together by the organization known as the Web, Rat and Marq find themselves manipulated by an entity determined to control the flow of information.

Tales of Nevèrÿon *Open Road Media*

Hugo and Nebula Award-winning author Samuel R. Delany's epic fantasy—the first in a series—explores power, gender, and the nature of civilization. A boy of the bustling, colorful docks of port Kolhari, during a political coup, fifteen-year-old Gorgik, once his parents are killed, is taken a slave and transported to the government obsidian mines at the foot of the Faltha mountains. When, in the savagely primitive land of Nevèrÿon, finally he wins his freedom, Gorgik is ready to lead a rebellion against the rulers of this barely civilized land. His is the through-story that, now in the background, now in the foreground, connects these first five stories, in *Tales of Nevèrÿon*—and, indeed, all the eleven stories, novellas, and novels that comprise Delany's epic fantasy series, *Return to Nevèrÿon*, where we can watch civilization first develop money, writing, labor, and that grounding of all civilizations since: capital itself. In these sagas of barbarism, new knowledge, and

sex, you'll find far more than in most sword-and-sorcery. They are an epic feat of language, an ironic analysis of the foundations of civilization, and a reminder that no weapon is more powerful than a well-honed legend. This "eminently readable and gorgeously entertaining" (The Washington Post Book World) novel reads "as if Umberto Eco had written about Conan the Barbarian" (USA Today). This ebook features an illustrated biography of Samuel R. Delany including rare images from his early career.

The Jingle in My Pocket

Sound Money Principles Kids Can Bank on *Storybook Meadow Pub*

This practical book about money helps kids develop healthy attitudes about saving, giving, spending, borrowing, working, honesty and much more. Beautifully illustrated and written in rhyme, each page also features proverbs from the Scriptures. In addition, kids will read wise sayings from such famous people as Benjamin Franklin, Thomas Edison, William Shakespeare, Billy Graham, Charles Dickens, Teddy Roosevelt, Abraham Lincoln, C.S. Lewis, Albert Einstein and many more.

Dhalgren *Open Road Media*

Nebula Award Finalist: Reality unravels in a Midwestern town in this sci-fi epic by the acclaimed author of *Babel-17*. Includes a foreword by William Gibson. A young half-Native American known as the Kid has hitchhiked from Mexico to the midwestern city Bellona—only something is wrong there . . . In Bellona, the shattered city, a nameless cataclysm has left reality unhinged. Into this desperate metropolis steps the Kid, his fist wrapped in razor-sharp knives, to write, to love, to wound. So begins Dhalgren, Samuel R. Delany's masterwork, which in 1975 opened a new door for what science fiction could mean. A labyrinth of a novel, it raises questions about race, sexuality, identity, and art, but gives no easy answers, in a city that reshapes itself with each step you take . . . This ebook features an illustrated biography of Samuel R. Delany including rare images from his early career.

A Chocolate in My Pocket *Clavis*

Early this morning, as I lay snoring, my daughter shared a sweet surprise. She hid a chocolate in my pocket, then blew a kiss across my eyes. An endearing picture book about the sweet relationship between a father and his daughter.

Anatomy of Wonder

A Critical Guide to Science Fiction *Libraries Unltd Incorporated*

Barron's classic work has been updated and reorganized to reflect changes in the genre over the past decade, and meet the needs and tastes of today's readers and those who work with them. Renowned experts in the field have provided authoritative historical and contemporary coverage of the best in science fiction. Users will find succinct, critical discussions of more than 1,400 science fiction novels, story collections, and anthologies, along with a comprehensive survey of the "secondary" literature, chapters on teaching science fiction, titles appropriate for--or appealing to--teens, a directory of libraries containing significant collections of science fiction, and award-winning titles and titles of literary merit. Author, title, and theme indexes provide additional points of access. An essential tool for collection development, research, and reference, this book also supports readers' advisory work.

Fahrenheit 451

A Novel *Simon and Schuster*

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

A Diamond in My Pocket

After breaking the 100m world record, sixteen-year-old Calli is whisked away to a secret facility where she's placed with other teens who possess superhuman speed. She soon finds herself in a deadly situation involving other superpowers, a magical diamond, and a centuries-old clan vying for world domination. Calli will have to rely on her quick wit and gut instinct to navigate her new world which includes secretly carrying a power-infusing diamond, all the while steering clear of the young man who mistakenly believes she's his soulmate. Book one of The Unaltered series introduces a secret universe existing within our own. In this world, cosmic energy grants superhuman abilities, and people of like ability band together in clans for both safety and community. Flesh-ripping demons prowl at night, drawn to the cosmic energy. Governments spy on clans, clans spy on governments, and trusting the wrong person may carry a terrible price.

A Rocket in My Pocket

The Hipster's Guide to Rockabilly Music *Profile Books*

Rockabilly had its roots in country, blues, folk, hillbilly, R&B, boogie-woogie and most other indigenous Deep South forms of popular song that you could strum three chords along to or howl down a cheap microphone. It was young people's music, made almost entirely by the first wave of teenagers, despised by adults in general and the country music establishment in particular. Its pioneer exponent, Elvis, eventually become respectable in the eyes of straight society but he was the exception. 1950s rockabilly was a spontaneous outburst of spirited three-chord songs, tiny record labels, primitive studios, fiercely partisan audiences and wild-eyed, driven performers who weren't even sure that their musical careers would last the week. The book charts the rise (and fall) of the original 50s wave of rockabillys. It will also follow the progress of the music, in clubs, on radio, TV and film, pinpointing the key record labels and important regional centres, showing how fashions eventually changed and left rockabilly high and dry, far too wild and primitive in an era of smoother sounds. Dcham traces the music to its Memphis roots.

The Hate U Give *HarperCollins*

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say

could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

Stars in My Pocket Like Grains of Sand *Open Road Media*

In this far-future classic, sexual attraction is a science, gender is a whole new construct, and information is both precious and perilous . . . With a burst of radiation to the brain, an angry young man is transformed into a dim-witted slave—suitable only for the most brutal work. But the tragedy of Rat Korga is the prologue to the story of Marq Dyeth, an “industrial diplomat,” who travels from world to world in this exciting, sprawling future, solving problems that come with the spread of “General Information.” The greatest fear in this future is Cultural Fugue, a critical mass of shared knowledge that can destroy life over the surface of an entire world in hours. In this dizzyingly original novel, information is perilous, but without it a human is only a rat in a cage. Campbell Award winner Jo Walton described this science fiction landmark as being “like pop rocks for the brain. . . . Things sparkle and explode all over, and it’s not entirely comfortable but it is quite wonderful.” This classic read predicted the Internet and is packed with themes that still resonate today. This ebook features an illustrated biography of Samuel R. Delany including rare images from his early career.

Hogg *Open Road Media*

The narrator of *Hogg* is a Huck Finn-like youngster caught in society’s most sinister seams—but unlike Huck, he passes no moral judgments on the violence he takes part in . . . *Hogg* is the story of a man—a depraved trucker named Franklin Hargus, whom the people he works for call Hogg—and of the nameless boy who tells the story of three days of unspeakable sexual violence and devastation, which, together, they initiate in a small seaside American city in the middle of the last century. Hogg is a towering brute who makes his living as a rapist for hire. By the end of a series of vicious attacks, kidnappings, and mass murders, the reader will wonder who is more corrupt: the man or the boy. Samuel R. Delany completed his first draft of *Hogg* within a day, if not within hours, of the 1969 Stonewall Riots in New York City and revised it over the next four years, though it was not released until 1995.

A Pocket for Corduroy *Penguin*

A toy bear who wants a pocket for himself searches for one in a laundromat.

In My Pocket

What's in My Pocket?

A Pop-up & Peek-in Book *Putnam Publishing Group*

Rabbit, Mouse, and other animals reveal what kinds of food they are carrying in their pockets. Movable flaps conceal the contents of the pockets.

A Rocket in My Pocket

The Rhymes and Chants of Young Americans *Henry Holt and Company (BYR)*

"This definitive collection of contemporary folklore includes over 400 verses created by children and passed along for generations. "The book makes hilarious group reading and will open ears and eyes to a new interest available around us."--The Horn Book

Exile and Pride

Disability, Queerness, and Liberation *Duke University Press*

First published in 1999, the groundbreaking *Exile and Pride* is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, *Exile and Pride* pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Imaginary Friend *Grand Central Publishing*

Instant New York Times Bestseller One of Fall 2019's Best Books (People, EW, Lithub, Vox, Washington Post, and more) A young boy is haunted by a voice in his head in this acclaimed epic of literary horror from the author of *The Perks of Being a Wallflower*. Christopher is seven years old. Christopher is the new kid in town. Christopher has an imaginary friend. We can swallow our fear or let our fear swallow us. Single mother Kate Reese is on the run. Determined to improve life for her and her son, Christopher, she flees an abusive relationship in the middle of the night with her child. Together, they find themselves drawn to the tight-knit community of Mill Grove, Pennsylvania. It's as far off the beaten track as they can get. Just one highway in, one highway out. At first, it seems like the perfect place to finally settle down. Then Christopher vanishes. For six long days, no one can find him. Until Christopher emerges from the woods at the edge of town, unharmed but not unchanged. He returns with a voice in his head only he can hear, with a mission only he can complete: Build a treehouse in the woods by Christmas, or his mother and everyone in the town will never be the same again. Twenty years ago, Stephen Chbosky's *The Perks of Being a Wallflower* made readers everywhere feel infinite. Now, Chbosky has returned with an epic work of literary horror, years in the making, whose grand scale and rich emotion redefine the genre. Read it with the lights on.

The Indian in the Cupboard *Doubleday Books for Young Readers*

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

The Mad Man

Or, The Mysteries of Manhattan *Open Road Media*

A philosophy student's research draws him into the sexual underground of 1980s and early nineties New York. John Marr is surprised he doesn't have AIDS. He has been having near-daily sexual encounters with strange men since before the dawn of HIV, but he remains healthy. His initiation began in the bathroom of the Staten Island Ferry Terminal, and since then he has found himself at home in the darkest corners of Manhattan's culture of anonymous gay sex. During the day, it is a different story, as Marr works on his graduate thesis—an analysis of the work of a brilliant 1970s philosopher who died mysteriously in one of the gay bars of Hell's Kitchen. As his research and his sex life begin to converge, Marr senses that if AIDS doesn't get him, something darker will. *The Mad Man*, which the author dubbed a "pornotopic fantasy," is more than a powerful work of philosophical erotica; it is a snapshot of a vanished moment in New York City's gay history, when fear and lust commingled in a single powerful force.

Aye, and Gomorrah**Stories** *Vintage*

An expanded edition of the classic anthology, this collection of science fiction and fantasy tales includes the Nebula and Hugo Award-winning "Time Considered as a Helix of Semi-Precious Stones."

Re-forming the Past**History, the Fantastic, and the Postmodern Slave Narrative** *Ohio State University Press*

Classifies the postmodern slave narratives of Ishmael Reed, Octavia Butler, Toni Morrison, Charles Johnson, Jewelle Gomez, and Samuel Delaney under one conceptual framework--"re-forming" the past--and argues that their distinctly African American form of postmodern slave narrative forces the reader to question the ideologies set forth by earlier, "realistic" depictions of slavery.
