Contemporary European History covers the history of Eastern and Western Europe, including the United Kingdom, from 1918 to the present. By combining a wide geographical compass with a relatively short time span, the journal achieves both range and depth in its coverage. It is open to all forms of historical inquiry - including cultural, economic, international, political and social approaches - and welcomes comparative and transnational analysis.

A History of the Modern World is a work initially published by the distinguished American historian at Princeton and Yale universities Robert Roswell Palmer in 1950. The work has since been extended by Joel Colton and Lloyd S. Kramer, and currently counts thirteen editions. First published in 1950, translated into six languages, is used in more than 1,000 colleges and universities as well as many high school advanced placement courses. The second edition, comprises two volumes, 20 main chapters

A History of the Modern World - Wikipedia

The history of international trade chronicles notable events that have affected the trade between various countries. In the era before the rise of the nation state, the term 'international' trade cannot be literally applied, but simply means trade over long distances; the sort of movement in goods which would represent international trade in the modern world.
