The Memory of Old Jack *ReadHowYouWant.com*

In a rural Kentucky river town, "Old Jack" Beechum, a retired farmer, sees his life again through the shades of one burnished day in September 1952. Bringing the earthiness of America's past to mind, *The Memory of Old Jack* conveys the truth and integrity of the land and the people who live from it. Through the eyes of one man can be seen the values Americans strive to

recapture as we arrive at the next century.

The Memory of Old Jack *Catapult*

Old Jack, born just after the American Civil War and dying in contemporary times, spends one beautiful September day in Port William, his home since birth, remembering. The story tells of the most searing moments of Old Jack's life, particularly his debt to his sister Nancy and her husband Ben Feltner, Old Jack's model of what an honorable manhood and strength might be. "Few novelists treat both their characters and their readers with the kind of respect that Wendell Berry displays in this deeply moving account . . . The Memory of Old Jack is a slab of rich Americana."—The New York Times Book Review

Jayber Crow

A Novel *Catapult*

"This is a book about Heaven," says Jayber Crow, "but I must say too that . . . I have wondered sometimes if it would not finally turn out to be a book about Hell." It is 1932 and he has returned to his native Port William to become the town's barber. Orphaned at age ten, Jayber Crow's acquaintance with loneliness and want have made him a patient observer of the human animal, in both its goodness and frailty. He began his search as a "pre-ministerial student" at Pigeonville College. There, freedom met with new burdens and a young man needed more than a mirror to find himself. But the beginning of that finding was a short conversation with "Old Grit," his profound professor of New Testament Greek. "You have been given questions to which you cannot be given answers. You will have to live them out—perhaps a little at a time." "And how long is that

going to take?" "I don't know. As long as you live, perhaps." "That could be a long time." "I will tell you a further mystery," he said. "It may take longer." Wendell Berry's clear-sighted depiction of humanity's gifts—love and loss, joy and despair—is seen through his intimate knowledge of the Port William Membership.

Poor Jack

It tells the story of Thomas Saunders, a sailor's son and neglected street urchin struggling to survive in Greenwich, London in the early 19th century. ("Poor Jack" was the title given by the waterfront boys, or mudlarks, to their chief.) In a rags-to-riches story Saunders eventually rises by his own efforts to become a pilot on the Thames, makes his fortune and retires to the life of a wealthy squire. The novel has interesting descriptions of domestic life among the naval lower ranks and contains many anecdotes of seafaring life. - Wikipedia 4/18/2017.

Jack (Oprah's Book Club)

A Novel *Farrar, Straus and Giroux*

A New York Times bestseller Named a Best Book of 2020 by the Australian Book Review, AV Club, Books-a-Million, Electric Literature, Esquire, the Financial Times, Good Housekeeping (UK), The Guardian, Kirkus Reviews, Literary Hub, the New Statesman, the New York Public Library, NPR, the Star Tribune, and TIME Marilynne Robinson, winner of the Pulitzer Prize and the National Humanities Medal, returns to the world

of Gilead with Jack, the latest novel in one of the great works of contemporary American fiction Marilynne Robinson's mythical world of Gilead, Iowa—the setting of her novels *Gilead*, *Home*, and *Lila*, and now *Jack*—and its beloved characters have illuminated and interrogated the complexities of American history, the power of our emotions, and the wonders of a sacred world. *Jack* is Robinson's fourth novel in this now-classic series. In it, Robinson tells the story of John Ames Boughton, the prodigal son of Gilead's Presbyterian minister, and his romance with Della Miles, a high school teacher who is also the child of a preacher. Their deeply felt, tormented, star-crossed interracial romance resonates with all the paradoxes of American life, then and now. Robinson's Gilead novels, which have won one Pulitzer Prize and two National Book Critics Circle Awards, are a vital contribution to contemporary American literature and a revelation of our national character and humanity.

The Memory Keeper's Daughter

A Novel *Penguin*

A #1 New York Times bestseller by Kim Edwards, *The Memory Keeper's Daughter* is a brilliantly crafted novel of parallel lives, familial secrets, and the redemptive power of love. Kim Edwards's stunning novel begins on a winter night in 1964 in Lexington, Kentucky, when a blizzard forces Dr. David Henry to deliver his own twins. His son, born first, is perfectly healthy, but the doctor immediately recognizes that his daughter has Down syndrome. Rationalizing it as a need to protect Norah, his wife, he makes a split second decision that will alter all of their lives forever. He asks his nurse, Caroline, to take the baby away to an institution and never to reveal the secret. Instead, she disappears into another city to raise the child herself. So begins this beautifully told story that unfolds over a quarter of a century—in which these two families, ignorant of each other, are yet bound by the fateful decision made that winter night long ago. A family drama, *The Memory Keeper's Daughter* explores every mother's silent fear: What would happen if you lost your child and she grew up without you? It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long-buried secrets are finally uncovered.

The Long-Legged House *Catapult*

Three essays at the heart of this volume—"The Rise," "The Long-Legged House," and "A Native

Hill"—are essays of homecoming and memoir, as the writer finds his home place, his native ground, his place on earth. As he later wrote, "What I stand for is what I stand on," and here we see him beginning the acts of rediscovery and resettling.

The Memory Illusion

Remembering, Forgetting, and the Science of False Memory *Random House*

THE INTERNATIONAL BESTSELLER 'Truly fascinating.' Steve Wright, BBC Radio 2 - Have you ever forgotten the name of someone you've met dozens of times? - Or discovered that your memory of an important event was completely different from everyone else's? - Or vividly recalled being in a particular place at a particular time, only to discover later that you couldn't possibly have been? We rely on our memories every day of our lives. They make us who we are. And yet the truth is, they are far from being the accurate record of

the past we like to think they are. In *The Memory Illusion*, forensic psychologist and memory expert Dr Julia Shaw draws on the latest research to show why our memories so often play tricks on us - and how, if we understand their fallibility, we can actually improve their accuracy. The result is an exploration of our minds that both fascinates and unnerves, and that will make you question how much you can ever truly know about yourself. Think you have a good memory? Think again. 'A spryly paced, fun, sometimes frightening exploration of how we remember - and why everyone remembers things that never truly happened.' *Pacific Standard*

Thorn Jack

A Night and Nothing Novel *Harper Collins*

Combining the sorcery of *The Night Circus* with the malefic suspense of *A Secret History*, *Thorn Jack* is a spectacular, modern retelling of the ancient Scottish ballad, *Tam Lin*—a beguiling fusion of love, fantasy, and myth that echoes the imaginative artistry of the works of Neil Gaiman, Cassandra Clare, and Melissa Marr. In the wake of her older sister's suicide, Finn Sullivan and her father move to a quaint town in upstate New York. Populated with socialites, hippies, and dramatic artists, every corner of this new place holds bright possibilities—and dark enigmas, including the devastatingly attractive Jack Fata, scion of one of the town's most powerful families. As she begins to settle in, Finn discovers that beneath its pretty, placid surface, the town and its denizens—especially the Fata family—wield an irresistible charm and dangerous power, a tempting and terrifying blend of good and evil, magic and mystery, that holds dangerous consequences for an innocent and curious girl like Finn. To free herself and save her beloved Jack, Finn must confront the fearsome Fata family . . . a battle that will lead to shocking secrets about her sister's death.

The Risk Pool *Vintage*

A wonderfully funny, perceptive novel *The Risk Pool* is set in Mohawk, New York, where Ned Hall is doing his best to grow up, even though neither of his estranged parents can properly be called

adult. His father, Sam, cultivates bad habits so assiduously that he is stuck at the bottom of his auto insurance risk pool. His mother, Jenny, is slowly going crazy from resentment at a husband who refuses either to stay or to stay away. As Ned veers between allegiances to these grossly inadequate role models, Richard Russo gives us a book that overflows with outsized characters and outlandish predicaments and whose vision of family is at once irreverent and unexpectedly moving. In the traditions of Thornton Wilder and Anne Tyler, *The Risk Pool* was hailed by *The New York Times* as "...superbly original and maliciously funny. Russo proves himself a master at evoking the sights, feelings, and smells of a town."

Love That Dog *A&C Black*

Slowly Jack learns the pleasures of writing poetry as Miss Stretchberry encourages him to tell his own story through verse. What emerges is a moving and memorable story about a boy and his dog and his growing passion for poetry.

Small as an Elephant *Candlewick Press*

Abandoned by his mother in an Acadia National Park campground, Jack tries to make his way back to Boston before anyone figures out what is going on, with only a small toy elephant for company.

Tampa

A Novel *Harper Collins*

In Alissa Nutting's novel *Tampa*, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has

chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slamming erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of hesitation, a monstress of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. Tampa is a sexually explicit, virtuosically satirical, American Psycho-esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's Tampa is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.

Gilead *Large Print Press*

In 1956, toward the end of Reverend John Ames's life, he begins a letter to his young son, an account of himself and his forebears. Ames is the son of an Iowa preacher and the grandson of a minister who, as a young man in Maine, saw a vision and came west to Kansas to fight for abolition. Reverend Ames tells a story of the sacred bonds between fathers and sons, which are tested in his tender and strained relationship with his best friend's wayward son. Gilead is the long-hoped-for second novel by one of our finest writers, a hymn of praise and lamentation to the God-haunted existence that Reverend Ames loves passionately, and from which he will soon part."

Holding Up the Universe *Alfred A. Knopf Books for Young Readers*

A New York Times Bestseller From the author of the New York Times bestseller All the Bright Places comes a heart-wrenching story about what it means to see someone—and love someone—for who they truly are. Everyone thinks they know Libby Strout, the girl once dubbed

"America's Fattest Teen." But no one's taken the time to look past her weight to get to know who she really is. Following her mom's death, she's been picking up the pieces in the privacy of her home, dealing with her heartbroken father and her own grief. Now, Libby's ready: for high school, for new friends, for love, and for EVERY POSSIBILITY LIFE HAS TO OFFER. In that moment, I know the part I want to play here at MVB High. I want to be the girl who can do anything. Everyone thinks they know Jack Masselin, too. Yes, he's got swagger, but he's also mastered the impossible art of giving people what they want, of fitting in. What no one knows is that Jack has a newly acquired secret: he can't recognize faces. Even his own brothers are strangers to him. He's the guy who can re-engineer and rebuild anything in new and bad-ass ways, but he can't understand what's going on with the inner workings of his brain. So he tells himself to play it cool: Be charming. Be hilarious. Don't get too close to anyone. Until he meets Libby. When the two get tangled up in a cruel high school game—which lands them in group counseling and community service—Libby and Jack are both pissed, and then surprised. Because the more time they spend together, the less alone they feel. . . . Because sometimes when you meet someone, it changes the world, theirs and yours. Jennifer Niven delivers another poignant, exhilarating love story about finding that person who sees you for who you are—and seeing them right back. "Niven is adept at creating characters. . . . [Libby's] courage and body-positivity make for a joyful reading experience." --The New York Times "Holding Up the Universe . . . taps into the universal need to be understood. To be wanted. Jack Vintage

Fifteen-year-old Jack's confused feelings for his father, who left him and his mother four years earlier, are further complicated when he finds that his father is gay.

Until I Find You *Vintage Canada*

Until I Find You is the story of the actor Jack Burns – his life, loves, celebrity and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church organist and profligate womanizer, is always a step ahead – has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a local master or "scratcher." Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England – including, tellingly, a girls' school in Toronto. His real education consists of his relationships with older women – from Emma Oastler, who initiates him into erotic life, to the girls of St. Hilda's, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. Too much happens in this expansive, eventful novel to possibly summarize it all. Emma and Jack move to Los Angeles, where Emma becomes a successful novelist and Jack a promising actor. A host of eccentric minor characters memorably

come and go, including Jack's hilariously confused teacher the Wurtz; Michelle Maher, the girlfriend he will never forget; and a precocious child Jack finds in the back of an Audi in a restaurant parking lot. We learn about tattoo addiction and movie cross-dressing, "sleeping in the needles" and the cure for cauliflower ears. And John Irving renders his protagonist's unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches. This is an absorbing and moving book about obsession and loss, truth and storytelling, the signs we carry on us and inside us, the traces we can't get rid of. Jack has always lived in the shadow of his absent father. But as he grows older – and when his mother dies – he starts to doubt the portrait of his father's character she painted for him when he was a child. This is the cue for a second journey around Europe in search of his father, from Edinburgh to Switzerland, towards a conclusion of great emotional force. A melancholy tale of deception, *Until I Find You* is also a swaggering comic novel, a giant tapestry of life's hopes. It is a masterpiece to compare with John Irving's great novels, and restates the author's claim to be considered the most glorious, comic, moving novelist at work today.

White Noise *Penguin*

A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.
