The MIT Press is a leading publisher of books and journals at the intersection of science, technology, and the arts. MIT Press books and journals are known for their intellectual daring, scholarly standards, and distinctive design. ... Book Review Submission Guidelines.

Book Review Submission Guidelines - MIT Press Journals

Writing a book review requires some extra attention as compared to merely rating a book. Though it is a slower process as compared to simply rating it between 1 to 5 stars, it is very beneficial to write a book review even if you publish it or not. Here we will discuss the reasons why you should write a book review.

How to write a book review - A step by step guide - Writoscope

So, what is a book review, anyway? Speaking in the language of movies, a book report is one large spoiler and retelling, and a review is a carefully made teaser. The review provides just enough initial information to make readers interested, and then it provides additional explanations of the book characteristics without getting into plot details.
