Avoid creating fanfare around culture change: Announcing change at an event is more likely to concern employees, who fear the chaos it will cause, rather than excite them. Instead, take a more low-key approach and make small changes, such as appealing to the emotional element of change by enlisting

change champions.

Organisational Culture and Cultural Change | Factsheets | CIPD

Remember, culture change can't be accomplished through a list of corporate-speak platitudes— the new behaviors must be identified for each Target group impacted by the culture change. Make certain you have Sponsors who are actively committed to the change (not just offering lip-service) and are willing to apply consequences for non-compliance with the new values.
