By Jay Vaananen. It’s a risky market out there, no doubt about it. Dark pools aren’t transparent (the clue is in the name), which raises many questions and concerns as to what is going on when an investor sends an order out to the market. Many dark pools have faced fines or are the targets of ongoing investigations and fines from regulators, which hasn’t helped the cause of dark pools.

Being Aware of the Risks of Dark Pools - dummies

By Jay Vaananen . Dark pools have grown to be a major part of the global equity markets, and they’ve become a real competitor and alternative to traditional stock exchanges. Many investors are confused about dark pools because of rampant rumours, which isn’t surprising. Just the name is enough to put fear into anyone who takes an interest in them.
