Black pepper,
christened the 'King of
Spices' and 'black
gold', is the most
important and most

widely used spice in the world, occupying a position that is supreme and unique. In the past, black pepper ranked with gold and was used as barter money. It was so precious that only kings and others in the highest class were allowed to possess it.

BLACK PEPPER

Lightly spray with water and dust with salt and pepper from a grinder mill to give that deeper more rustic taste. Make 4 to 6 diagonal slashes using a very sharp knife across the top. Preheat the oven to 220 C / Gas 7. Place a baking tray filled with water on the bottom shelf of the oven - this will create steam when the loaf is baking.
