National Security and Civil Liberties

Human Rights and National Security. Many people in the United States and around the world remember the horrific events of September 11, 2001, as some of the worst crimes against humanity of the 21st century. While the international community was united behind the United States’ call to bring those responsible to justice, the subsequent struggle against terrorism took a wrong turn, undermining the international legal frameworks and accountability mechanisms that were developed after World ...

Human Rights and National Security | American Civil ...

American Civil Liberties Union v. National Security Agency, 493 F.3d 644 (6th Cir. 2007), is a case decided July 6, 2007, in which the United States Court of Appeals for the Sixth Circuit held that the plaintiffs in the case did not have standing to bring the suit against the National Security Agency (NSA), because they could not present evidence that they were the targets of the so-called " Terrorist Surveillance Program " (TSP).

American Civil Liberties Union v. National Security Agency ...

National Security with all of the effort that has been engaged has done nothing more than remove liberties from American citizens who have no intention of harming anyone in the United States. Troops continue to work diligently overseas to strengthen Middle Eastern countries who are also at risk and who could ultimately serve as allies in the War against Terror, but the problem is defining who the terrorists are.
