The Disruption Dilemma *MIT Press*

An expert in management takes on the conventional wisdom about disruption, looking at companies that proved resilient and offering managers tools for survival. "Disruption" is a business buzzword that has gotten out of control. Today everything and everyone seem to be characterized as disruptive—or, if they aren't disruptive yet, it's only a matter of time before they become so. In this book, Joshua Gans cuts through the chatter to focus on disruption in its initial use as a business term, identifying new ways to understand it and suggesting new tools to manage it. Almost twenty years ago Clayton Christensen popularized the term in his book The Innovator's Dilemma, writing of disruption as a set of risks that established firms face. Since then, few have closely examined his account. Gans does so in this book. He looks at companies that have proven resilient and those that have fallen, and explains why some companies have successfully managed disruption—Fujifilm and Canon, for example—and why some like Blockbuster and Encyclopedia Britannica have not. Departing from the conventional wisdom, Gans identifies two kinds of disruption: demand-side, when successful firms focus on their main customers and underestimate market entrants with innovations that target niche demands; and supply-side, when firms focused on developing existing competencies become incapable of developing new ones. Gans describes the full range of actions business leaders can take to deal with each type of disruption, from "self-disrupting" independent internal units to tightly integrated product development. But therein lies the disruption dilemma: A firm cannot practice both independence and integration at once. Gans shows business leaders how to choose their strategy so their firms can deal with disruption while continuing to innovate.

Create Wealth with Private Equity and Public Companies

A Guide for Entrepreneurs and Investors *AuthorHouse*

Getting the money you need to finance your business with Private Equity When starting a new business, you will need money. Depending on your business idea, you may not have the necessary funds to realize your idea. Most people think that going through a bank and getting a loan is the only way to get started. They soon realize that banks are not willing to lend money on an idea. Too often, this is the end of the dream. Another way to finance your business idea is to raise money from private investors. There are many great business ideas that struggle to find investors willing to invest. Either they don't have a clear strategy on how the investor can invest or there is concern that the investor will take over control of the business. Investors may be wary if there isn't an exit strategy. The solution to the above problems is Private Equity. Private Equity can be defined as investments in companies that are not yet publicly traded on a stock exchange. A business should be set up in a way that there is a structure and plan for investors to be able to buy shares of the company. There needs to be a clear share structure in place so that the owner of the business does not lose control of the company but at the same time allows investors to participate. This book will teach you the basics of Private Equity and will explain how to structure a company to get it financed. It also covers the advantages on take a company public and how to do it.

The Wealthy Barber

The Common Sense Guide to Successful Financial Planning

God, Love, and Marshmallow Wars

365 Daily Challenges to Grow Your Marriage *WestBow Press*

There's no doubt that marriage is hard work. Yet it can also be one of the most fulfilling relationships you can experience, outside of your relationship with God. However, many marriages leave God outside of the relationship. Godly marriages do not happen without cultivating it, investing in it, and putting God first in your individual lives and in your marriage. This book includes 365 daily activities and takes you on a journey through Biblical principles about Godly marriage that you can then apply to your marriage, as well as helping you talk through concepts that can help you develop a solid relationship. Inside you will find simple, quick activities that include: • Scripture to memorize and meditate on • Conversation Starters • Concepts from the Bible on Godly marriages • Romance Builders • Relationship Builders • Personal reflections • Date ideas • Group date ideas for you and other Christian couples

E-Mails from the Edge *Insomniac Press*

Told through a series of increasingly frantic e-mails to her mentor, E-Mails from the Edge traces the circuitous career of Constance Beaman, MBA, a middling middle manager at a mega-multinational corporation. Constance works in a world she never encountered in business school: the real world. She is bounced among a kaleidoscopic assortment of bosses, squeezed through the merger ringer, shaken by excruciating exercises in team building, and forced to exude passion against her will.

Here's the Plan

Tips, Ideas and Strategies for Personal Financial Planning *Author's Choice Publishing*

This gives tips ideas and strategies on a Personal Finance.

Life's Not Over, It Just Looks Different *Lulu Press, Inc*

Life happens, and sometimes it changes in ways that we never expected. After experiencing a surgical complication that rendered me legally blind, I decided there were two choices ahead of me: roll over and die, essentially giving in to the fact that life wasn't going to be the same as before, or get on with life and figure out how to move forward with reduced eyesight. This book shares a personal story of trying to bounce back from a life-changing event. There were lots of good days and even some funny moments along the way. But no recovery is ever all smooth sailing. There were also bad days, and times when self-doubt and despair took over. Over time though, I adjusted to the vision loss and learned to embrace the fact that I was given a unique opportunity to see life in a whole new way.

Walking a Golden Mile *Simon and Schuster*

The bare-fisted brawler from Blackpool, England tells his story of fortune and fumbling on the road to the WWE's higher ranks. Since joining the WWE in 2000 as a goodwill ambassador from Great Britain, William Regal has established himself as an up-and-coming Superstar. He took the wrestling world by storm defeating many of the WWE's best wrestlers to win both the European and Intercontinental championships—although he's probably best known for getting back in WWE owner's Vince McMahon's good graces by kissing his naked backside on national television. While fans may still chuckle at Regal's humiliation, his in-ring success is no laughing matter. In this no-holds-barred look at his life, Regal for the first time talks about how he has dragged himself out of a life of poverty and adversity on the street of Blackpool, England and battled his own inner-demons to reach the top of the WWE's roster. He also discusses how he has overcome his recent life-threatening medical condition to return to triumphantly to the WWE.

The Wealthy Boomer

Life After Mutual Funds

Is there life after mutual funds? The authors believe so, and think that the "next big thing" for baby boomers is Managed Money. The Wealthy Boomer is a guide to smart investing that looks beyond the current mutual fund mania. It will help the investor weather fluctuations in the stock market and ensure consistently high returns. The authors train readers to look critically and perceptively at mutual fund marketing techniques and help mutual fund investors evaluate the performance of their funds and consider a wide range of investment alternatives. The Wealthy Boomer presents alternatives to some mutual-fund investments, and suggests potential supplements to others. Illustrated throughout with cartoons and graphics, the accessible text and case studies are designed for both the private investor and mutual fund advisors.

WealthTech

Wealth and Asset Management in the FinTech Age *IAP*

The book "WealthTech: Wealth and Asset Management in the Fintech Age" is the primary resource for the wealth and asset management technology revolution. It examines the rise of financial technology and its growing impact on the wealth and asset management industry. Written by thought leaders in the global WealthTech space, this volume offers an analysis of the current tectonic shifts happening in wealth and asset management and aggregates diverse industry expertise into a single informative book. It provides practitioners such as wealth managers, bankers and investors with the answers they need to capitalize on this lucrative market. As a primer on WealthTech it offers academics clear insight into the repercussions of profoundly changing business models. It furthermore highlights the concept of the ongoing democratization of wealth management towards a more efficient and client-centric advisory process, free of entry hurdles. This book aggregates facts, expertise, insights and acumen from industry experts to provide answers on various questions including: Who are the key players in WealthTech? What is fueling its exponential growth? What are the key technologies behind WealthTech? How do regulators respond? What are the risks? What is the reaction of incumbent players? This book not only seeks to answer these questions but also touches on a series of related topics: • Get up to speed on the latest industry developments • Understand the driving forces behind the rise of WealthTech • Realize the depth and breadth of WealthTech • Discover how investors react to the growth in WealthTech • Learn how regulators influence the evolution of WealthTech business models • Examine the market dynamics of the WealthTech revolution • Grasp the industry's potential and its effects on connected sectors • Build acumen on investment and entrepreneurial opportunities A unique product for the market place Digital transformation is creating game-changing opportunities and disruptions across industries and businesses. One industry where these game-changing opportunities will have profound impacts is wealth and asset management. For generations, wealth and asset management was a privileged service provided to co-operations and wealthy individuals. The informational

advantages that wealth managers held vis-a -vis their clients provided a key competitive differentiator. In the current digital transformation climate, this differentiator is vanishing and the setting is changing. A top priority on the agenda for any wealth and asset manager must therefore be how to respond and prepare for the ramifications of this fast changing business environment. This book (one of the first to be published in this area) will provide the reader with a head start in adapting to this new digital environment.

Worry-Free Money

The guilt-free approach to managing your money and your life *HarperCollins*
NATIONAL BESTSELLER "A fresh way to think about your money." David Chilton, author of The Wealthy Barber Stop budgeting. Start living. Managing your money can be frustrating and confusing. Life is expensive. Whether you make \$30,000 or \$130,000 a year, it can feel like you're constantly broke. Can you afford that new car, that vacation, that night out? You think so, but it feels impossible to know. And rigid budgets that force you to spend your money in unrealistic ways (like \$9.50 per week for pants) don't make things any clearer. But what if there was a new way to manage your money? One that left you certain you had your bases covered—both for your monthly bills and your future retirement—and then let you enjoy your money by spending it. (Yes, really.) Enter Shannon Lee Simmons, a fresh voice in the world of personal finance, one who understands the new and very real pressures to survive modern life and keep up in the age of social media. Shannon doesn't lecture, judge or patronize. The founder of the wildly popular New School of Finance, Shannon recognized that most of her thousands of financial planning clients felt broke, no matter what their income. And feeling broke can be as bad as actually being broke, because it leads to overspending and misery. So she came up with a new plan: Worry-Free Money. Worry-Free Money takes a fresh approach to finances, looking at the root cause of the pressure to spend and showing why traditional budgets don't work. It is a deeply practical book that will help you break the cycle of guilt, understand why you overspend, banish unhappy spending from your life, learn to recognize your f*ck it moments and find hope—and fun—in getting your money under control.

Naurag

The Beginning *CreateSpace*
What was Earth called before Terra, Erda, and Bhoomi? What if there were civilizations more ancient and intelligent before the ones we have unearthed? Debutant author D. R. Nayak takes you on a journey to a mythical world Naurag, of mighty kingdoms in deep sea and land, ferocious beasts, and spell weavers. An orphan child Kahl, is adopted by the King of Naurag. Despite the prophesy, that an orphan would bring forth an evil unlike any that Naurag has witnessed, the King decides to give young Kahl a chance to prove himself. He appoints the royal teacher Ra Da Ur with the task of caring for the young orphan. Kahl grows up very bitter and blames the immortal Sauragians whose prophesy cursed him to the life of isolation. When he returns to the palace, he tries to nurture the same thoughts in his young sister Ujjala and brother Ural. Fearing for the children's future, the King sends the young princess and prince to Ra Da Ur. Under the care of the royal teacher, young Ujjala learns about the terrible prophesy and is urged to seek the help of the immortal Sauragians. Helped by her friends Torak, Mitra, Anguly and her brother Ural; Ujjala ventures on a perilous journey through the swamps of Gari and valleys of Mardrid to reach the gates of hope. Crossing the gates of hope, Ujjala enters Saurag the land of immortals. When Ujjala returns with the immortals, the games of death are announced on Naurag where Ujjala realizes that she has been selected as one of competitors in the games. Each task revealed in the games uncovers new fears and uncertainties that Ujjala has to overcome. But this time a chilling task has revealed itself in the scroll. The guardian of the scroll was found mysteriously dead and Ujjala has been assigned to complete a task that no student has ever attempted. An evil that was destroyed was being revived. Who was doing this? And how did this terrible catastrophe happen? The first of a thrilling trilogy, Naurag is a visually rich and enthralling story of two children growing together facing similar challenges, knowing the terrible prophesy looming over them and how each of them chose their path, and how this choice shapes their destiny.

Investments: Analysis and Management *Wiley*
Investments: Analysis and Management, Canadian Edition by W. Sean Cleary and Charles P. Jones is an introductory text that prepares Canadian college and university students for a career in the

investments industry. Its unique coverage provides both the theoretical foundation and practical applications students will need to make real-life investment decisions. Several key features distinguish Investments such as an accessible approach to topics, introducing students to the how, and not just the why, of investment management. The text steps beyond concepts by focusing on the realities of the Canadian Investment community. In addition, Investments places great emphasis on topics that are included in professional courses such as the Canadian Securities Course (CSC) and the Chartered Financial Analysts (CFA) program, helping students prepare for future courses and careers.

Stalled

Jump-Starting the Canadian Economy *Dundurn*
For the fifty years following the Second World War, Canada enjoyed a period of spectacular economic growth — the economy quadruple in size and the living standard of most Canadians steadily improved. However, in the years since, Canada has suffered from economic stagnation. Businesses keep closing, and Canadians find it harder to get and keep a good job. Increasingly, Canadians have relied on consumer debt to help mask the underlying problems, but for many even that temporary form of relief is no longer an option. In Stalled, Michael Hlinka explains what drove Canada's five-decade expansion and what has put us in the rut we're currently in. He also shows that there are solutions for Canada as a country and for individual Canadians, and that we can get out of the rut we're in if we start doing the things that once made us great. Stalled shows how.

Sensation & Perception (Book Only) *Cengage Learning*
Seeing and reading this sentence may seem like a no brainer--but your perception is just a tiny part of what is happening in your brain and body right now (both are much busier than you might think). SENSATION AND PERCEPTION has helped many readers understand the ties between how we sense the world and how the body interprets these senses. A key strength of this book has always been the ability to illustrate concepts through examples and visuals. Dr. Goldstein walks you through an intriguing journey of the senses, combining clear writing, his extensive classroom experience, and innovative research to create a visual, colorful book. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Knock 'em Dead Resumes
A Killer Resume Gets MORE Job Interviews! *Simon and Schuster*
"A killer resume gets more job interviews."

In a People House *Random House Books for Young Readers*
Easy-to-read rhyme cites a number of common household items.

The Transition Coach *Trafford Publishing*
In the course of your lifetime you'll go through many types of transitions. They're a fact of life. Some happen naturally, such as the progression from childhood to adolescence to adulthood. Others require decision-making and appropriate follow through. When it comes to your dental practice, taking the time and necessary steps to plan for your transition is vitally important. It's not something to leave to chance. Think of it this way. Imagine taking a long drive to a remote location that you've never been to before. Would you load the family into the car one beautiful morning and start out without any preparation? Not likely. Nor would you want to leave without being sure of such vital facts as the condition of your car or being able to get sufficient fuel and food along the way. When it comes to making this type of journey being properly prepared makes sense, doesn't it?

Course Notes Series

Canadian Cannabis Stocks Simplified

A How-to Guide for the Budding Investor
"This book is a primer for Canadians investing in the stock market, but also a guide on the cannabis industry in this country and how to capitalize on it through the stock market. It is for those new to investing, those curious about the opportunities to invest in cannabis stocks, or both."--
