- From the protagonist's faithful friend to the mysterious unfamiliar person the antagonist befriends, the sustaining cast assists to bring the globe of the tale to life.

On the whole, the personality advancement in this book is one of its strengths. Each character is well-crafted and adds to the total tale, making for a genuinely enjoyable read.

FINAL JUDGMENT

After reviewing and evaluating Cartas Marcadas Alejandro Dolina from cover to cover, we have actually concerned our final judgment.

The Pros

One of the primary highlights of this publication Cartas Marcadas Alejandro Dolina is its unique narration design which keeps the readers involved throughout guide. Additionally, the strong characters make the book a lot more relatable and pleasurable to check out. In addition, the story twists maintain the reader on their toes, making guide uncertain and exciting.

The Disadvantages

However, there were some facets that we discovered lacking. The pacing of Cartas Marcadas Alejandro Dolina was sluggish at times, that made it feel dragged out. Additionally, there were some loose ends that were not locked up by the end of guide, which left us with unanswered questions.

Final Ideas

Generally, our team believe that Cartas Marcadas Alejandro Dolina deserves a read, regardless of some minor flaws. The unique storytelling design, relatable characters, and plot spins make it a rewarding enhancement to your bookshelf. So, if you're seeking a captivating read, Cartas Marcadas Alejandro Dolina is most definitely worth taking into consideration.

Cartas marcadas Galaxia Gutenberg

As Cartas marcadas, de Xavier Queipo non teñen nada que ver coa idea de "xogar con avantaxe" senón co concepto de "marca" referido ao tipo de tema do que se trata, que está ben definido: a escritura e a lectura. Os libros e o seu universo. A experiencia da literatura como escritor e lector, comezando por un texto sobre a lectura titulado simplemente "Ler", pasando seguidamente á teoría cinética dos gases en "A ficción, fábrica de realidades" para seguir cos temas máis diversos, coma os libros que levar cando se viaxa, a autoironía do autor en "A cita, ese síntoma", reflexións sobre a

literatura nos cadernos de bitácora, as semellanzas entre certos conceptos de astronomía e a literatura na blogosfera, os escritores galegos biólogos ou a arte de editar. Así ata vinte e catro textos. Unha frase escoitada ou unha cita subliñada serven de punto de partida para unha argumentación posterior. A lembranza dunha paisaxe, unha prospección nocturna nos labirintos da memoria, unha foto atopada entre as páxinas dun libro ou simplemente unha idea que agroma van compoñendo devagar un libro diferente, apaixonado e sincero.

Cartas marcadas

La enseñanza de la literatura hispanoamericana *Universidad Almería*

Este volumen colectivo ofrece múltiples propuestas didácticas para introducir la literatura hispanoamericana en el aula de manera innovadora. Si algo unifica las contribuciones a este libro es que pretenden dar cabida a obras de escritores y escritoras del otro lado del Atlántico en cada una de las etapas educativas y, para ello, reflexionan sobre el lugar que ocupa la literatura hispanoamericana en el currículo y la necesidad de revisar los presupuestos para diseñar un recorrido curricular que ponga a disposición de los estudiantes un conjunto de obras y herramientas de análisis que les ayuden a vislumbrar el carácter transatlántico de la literatura

Ópera paranaense *Editorial Autores de Argentina*

En el vasto territorio del humedal paranaense y a lo largo de una ristra de cuentos, una vez más se nos representa el misterio de la condición humana. O, si se quiere, se nos presenta lo que quiere mostrarnos un ita'nguechá. Lo hace a través de un desenterrador, de un

utopista, de un demonio enamorado, de un camorrista, de un clon de Dios, de un chamán mocoví, de la Llorona, de un neandertalense, de un muchacho que hace caca fosforescente, de un gourmet, de la Muerte, de pescadores y bolaceros, de una pitonisa, de un titiritero, de un antropólogo victoriano que aprende a leer la existencia en guaraní, de un fotógrafo... "En guaraní, espejo se dice ita'nguechá. Sin embargo, no cualquier espejo es un ita'nguechá. O sea, no cualquier espejo provoca en quien lo ocupa la sensación de estar frente a alguien que reclama ser descubierto (...). Si bien sus detractores aseguran que distorsiona, nadie ha osado atribuirle la capacidad de mentir. El que encontré Kambá Cuerito reflejaba lo pretérito en tiempo presente: fue gracias a su servicio que conocí a su bisabuelo -puede que haya sido su bisabuela-". Mbopí Kuruzú

La venganza será terrible *Planeta Publishing*

La Venganza será Terrible cumplió treinta años. Este libro recorre esa historia mediante anécdotas y reflexiones en la voz de su protagonista principal y en las voces de aquellos que orbitaron en el universo humorístico, filosófico y musical de su creador. Testimonios de oyentes célebres, confesiones de los que participaron, datos y sucesos insólitos, transcripciones de los mejores momentos de la historia del programa. Todo este material se completa con un prólogo de Gabriel Rolón y un archivo fotográfico inédito que llega hasta hoy, con el programa ya convertido en un espectáculo ambulante y más vigente que nunca.

ETARIOGRAFÍA POÉTICA SOBRE LOS

BICENTENARIOS *marcelocielomar*

Dos centenares de años de historia americana en escritos especialmente resaltados de doscientos patriotas, conveniente poetizados, musicalizables y ordenados por franjas etarias.

Notas al pie *Planeta Argentina*

Luego de la muerte del escritor Sergei Vidal Morozov, su casa editorial le encarga a Franco de Robertis una edición anotada de cuentos póstumos. La elección no es casual: De Robertis ha sido, a lo largo de gran parte de la carrera del reconocido autor, su colaborador más estrecho, un subordinado intelectual -también emocional- en una relación que, como sostiene el propio anotador, tiene "la edad de su memoria". Sin embargo, una vez lanzado a su métier, las cosas parecen salirse de cauce, y aquello que de entrada estaba planeado como una tarea panegírica cede el paso a una inesperada incontinencia textual. De Robertis destila en sus notas una historia otra que poco parece tener que ver con el libro madre. Una trama subterránea poblada de situaciones inéditas y personajes de lo más variopintos: el mismísimo Morozov y un documental hecho con un grupo de niños actores, amores cruzados, un diamante maldito, traiciones, secretos, celos, luces y sombras. Literaria, teatral, policial, infinita, alucinada, profunda y a la vez divertida: así es *Notas al pie*, la nueva novela de Alejandro Dolina. Un universo con sus propias reglas que se despliega frente al lector como un juego de cajas chinas. Una arquitectura exquisita que solo la maestría y la sensibilidad del autor de clásicos como *Crónicas del Ángel Gris* y *Cartas marcadas* son capaces de sostener.

Cronicas del Angel Gris *Ediciones Colihue SRL*

No deja de ser paradójico el hecho de que alguien capaz de hablar con tanta claridad como Dolina sea interpretado de maneras tan caprichosas y, muchas veces, tan distantes de sus postulados. Afortunadamente, mas allá de las cómodas simplificaciones a las que nos acostumbra la patris massmediatica, estan los libros.

El libro del fantasma *Booket Argentina*

Los fantasmas prosperan con las arquitecturas perseverantes y las memorias leales. Castillos milenarios y ofensas imprescriptibles los engordan. El progreso y el olvido, que son hábitos de estos tiempos y de estas tierras, no los auspician. Por eso son tan escasos los fantasmas criollos. El que habita este libro es, me temo, uno de los menos atrayentes. Pertenece quizás a esa raza de espectros que son una verdadera decepción para los amantes de los prodigios. Me refiero a los fantasmas interiores, a las creaciones alucinatorias e individuales de honrados burgueses incapaces ya de ver un espanto hecho y derecho. A. D.

Breve diccionario del humor *Editorial Verbum*

Este Diccionario no sólo es breve por el espacio dedicado al significado de cada término relacionado con la creación humorística y los datos profesionales de cada creador de humor, sino también porque es imposible que estén presentes en esta selección todos los humoristas escénicos, audiovisuales, gráficos, literarios, musicales, etcétera, de todos los tiempos y de todos los países de la Tierra. Ha llevado años de investigación y recopilación lo que usted puede leer en este libro. Pero es una obra descomunal

y ambiciosa, como para pensar que esté completamente terminada. Si dudas, este es un trabajo abierto al enriquecimiento constante. Esperamos que este Breve Diccionario del humor sea de utilidad para estudiosos e investigadores sobre el tema, profesionales, críticos, periodistas y estudiantes; pero también, por supuesto, sea disfrutable para todos los interesados en conocer el fascinante universo del humor.

Bar del infierno *Booket Argentina*

El cafetín es un laberinto. Nuestro destino es extraviarnos en sus encrucijadas. Pero algunos presienten una verdad aún más terrible: no se puede salir del bar... El afuera no existe. El Narrador de Historias está obligado a contar un cuento cada noche, a las doce. Nadie le presta atención. Amores imposibles de la provincia de Buenos Aires, ciudades lejanas gobernadas por jaurías, santos levitadores... integran el curioso repertorio. Pero el Narrador es también personaje de otra historia que lo muestra involucrado en una conspiración para salir del bar, del tiempo o del lenguaje. Pero si lee con la luz adecuada, estos textos nos dicen que para salir del infierno hay que amar más allá de las meras referencias filisteas. O quizás expresen que la única esperanza es cantar bien.

Isis Unveiled *Quest Books*

HPB's first major work, originally published in 1877. The most astounding compendium of occult facts and theories in Theosophical literature. It proclaims the existence of mystery schools under the guardianship of men who are servants for truth. It outlines a movement by the Guardians of the Ancient Wisdom to preserve and protect

the ageless truths, until in later times they would again become known for the spiritual benefit of all.

El ángel gris

Crónicas del angel gris

The Naked Woman *Feminist Press at CUNY*

A woman's feminist awakening drives a hypocritical village to madness in rural Uruguay in this "wild, brutal paeon to freedom" (NPR.org). Shortlisted for the National Translation Award "Somers' feminism is profound, and complicated." —NPR.org "A surreal, nightmarish book about women's struggle for autonomy—and how that struggle is (always, inevitably) met with violence." —Carmen Maria Machado, author of *Her Body and Other Parties* When *The Naked Woman* was originally published in 1950, critics doubted a woman writer could be responsible for its shocking erotic content. In this searing critique of Enlightenment values, fantastic themes are juxtaposed with brutal depictions of misogyny and violence, and frantically build to a fiery conclusion. Finally available to an English-speaking audience, Armonía Somers will resonate with readers of Clarice Lispector, Djuna Barnes, and Leonora Carrington.

Bonsai *Penguin*

"Sublime . . . true and beautiful and moving." —The New York Times Book Review The landmark first novel of one of the greatest living Latin American writers—now in a sparkling new translation by his longtime collaborator When it was first published in 2006, then-literary critic and poet Alejandro Zambra's first novel, *Bonsai*, caused a sensation. "It was said," according to

Chile's newspaper of record, *El Mercurio*, "that it represented the end of an era, or the beginning of another, in the nation's letters." Zambra would go on to become a writer of international renown, winning prizes in Chile and around the world for his funny, tender, sly fictions. Here, in a brilliant new translation from four-time International Booker Prize nominee Megan McDowell, is the little book that started it all: The story of Julio and Emilia, two Chilean university students who, seeking truth in great literature, find one another instead. As they fall together and drift apart over the course of young adulthood, Zambra spins an emotionally engrossing, expertly distilled, formally inventive tale of love, art, and memory.

Essential Bukowski *HarperCollins*

Edited by Abel Debritto, the definitive collection of poems from an influential writer whose transgressive legacy and raw, funny, and acutely observant writing has left an enduring mark on modern culture. Few writers have so brilliantly and poignantly conjured the desperation and absurdity of ordinary life as Charles Bukowski. Resonant with his powerful, perceptive voice, his visceral, hilarious, and transcendent poetry speaks to us as forcefully today as when it was written. Encompassing a wide range of subjects—from love to death and sex to writing—Bukowski's unvarnished and self-deprecating verse illuminates the deepest and most enduring concerns of the human condition while remaining sharply aware of the day to day. With his acute eye for the ridiculous and the troubled, Bukowski speaks to the deepest longings and strangest predilections of the human experience. Gloomy yet hopeful, this is tough, unrelenting poetry touched by

grace. This is Essential Bukowski.

La Farisea: Las DOS Gracias: Novelas Originales *Wentworth Press*

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Tokyo Doesn't Love Us Anymore *Open Road + Grove/Atlantic*

A cult figure in Europe and Spain's hottest talent, Ray Loriga, impresses the literary world with each new work of his innovative fiction. With his intense new novel *Tokyo Doesn't Love Us Anymore*, Loriga lays bare the world we live in, the drug culture that surrounds us, the nature of forgetfulness, and the implacable tyranny of emotions. Set in the very near future, it is the story of a

traveling salesman floating from arid Arizona parking lots to steamy Bangkok bars to peddle the hottest new commodity for a group known only as The Company. What he has is a drug that erases memory. You can choose your oblivion, be it one mistake or a lifetime of pain, but things become hazy when our hero begins sampling the goods and reaches the point where he can't even remember what it is he cannot remember. A pitch-perfect mood piece for our times, quickened with his graceful and hypnotic prose, Loriga is tackling nothing less than the question of what it means to be human when everything, including human identity, can be bought. This is a novel as compelling as they come from a writer who is not to be forgotten.

The Dermis Probe *Octagon Press Ltd*

Literature Class, Berkeley 1980 *New Directions Publishing*

A master class from the exhilarating writer Julio Cortázar "I want you to know that I'm not a critic or theorist, which means that in my work I look for solutions as problems arise." So begins the first of eight classes that the great Argentine writer Julio Cortázar delivered at UC Berkeley in 1980. These "classes" are as much reflections on Cortázar's own writing career as they are about literature and the historical moment in which he lived. Covering such topics as "the writer's path" ("while my aesthetic world view made me admire writers like Borges, I was able to open my eyes to the language of street slang, lunfardo...") and "the fantastic" ("unbeknownst to me, the fantastic had become as acceptable, as possible and real, as the fact of eating soup at eight o'clock in the evening"), Literature Class

provides the warm and personal experience of sitting in a room with the great author. As Joaquin Marco stated in *El Cultural*, "exploring this course is to dive into Cortázar designing his own creations.... Essential for anyone reading or studying Cortázar, cronopio or not!"

To Die For *Princeton University Press*

July Fourth, "The Star-Spangled Banner," Memorial Day, and the pledge of allegiance are typically thought of as timeless and consensual representations of a national, American culture. In fact, as Cecilia O'Leary shows, most trappings of the nation's icons were modern inventions that were deeply and bitterly contested. While the Civil War determined the survival of the Union, what it meant to be a loyal American remained an open question as the struggle to make a nation moved off of the battlefields and into cultural and political terrain. Drawing upon a wide variety of original sources, O'Leary's interdisciplinary study explores the conflict over what events and icons would be inscribed into national memory, what traditions would be invented to establish continuity with a "suitable past," who would be exemplified as national heroes, and whether ethnic, regional, and other identities could coexist with loyalty to the nation. This book traces the origins, development, and consolidation of patriotic cultures in the United States from the latter half of the nineteenth century up to World War I, a period in which the country emerged as a modern nation-state. Until patriotism became a government-dominated affair in the twentieth century, culture wars raged throughout civil society over who had the authority to speak for the nation: Black Americans, women's

organizations, workers, immigrants, and activists all spoke out and deeply influenced America's public life. Not until World War I, when the government joined forces with right-wing organizations and vigilante groups, did a racially exclusive, culturally conformist, militaristic patriotism finally triumph, albeit temporarily, over more progressive, egalitarian visions. As O'Leary suggests, the paradox of American patriotism remains with us. Are nationalism and democratic forms of citizenship compatible? What binds a nation so divided by regions, languages, ethnicity, racism, gender, and class? The most thought-provoking question of this complex book is, Who gets to claim the American flag and determine the meanings of the republic for which it stands?

First Person Singular *Vintage*

NATIONAL BEST SELLER • A mind-bending new collection of short stories from the internationally acclaimed, best-selling author. • "Some novelists hold a mirror up to the world and some, like Haruki Murakami, use the mirror as a portal to a universe hidden beyond it." —The Wall Street Journal The eight stories in this new book are all told in the first person by a classic Murakami narrator. From memories of youth, meditations on music, and an ardent love of baseball, to dreamlike scenarios and invented jazz albums, together these stories challenge the boundaries between our minds and the exterior world. Occasionally, a narrator may or may not be Murakami himself. Is it memoir or fiction? The reader decides. Philosophical and mysterious, the stories in *First Person Singular* all touch beautifully on love and solitude, childhood and memory. . . all with a

signature Murakami twist.

Scooter Sagas *iUniverse*

Author Tammy Schuman led an active, charmed life. She was healthy and worked as a registered nurse in a good career; she was able to run and travel, and she had a great family and friends. Her entire life changed, however, in 1996 when she was diagnosed with spinocerebellar ataxia, a progressive neurological movement disorder. Everything she had built her life on shifted. She still had great family and friends, but the rest was slipping away. In the *Scooter Sagas: Coping with Ataxia*, Schuman narrates her experiences by sharing her snarky emails, private journaling, website chatting, and public blogging. In this memoir, she describes the reality of living with ataxia and the ways in which it affects every aspect of her life. She also relays her motorized scooting experiences with Skeeter, the inanimate best friend who gives her the freedom to get outside and be more mobile. With humor, the *Scooter Sagas: Coping with Ataxia* provides firsthand insight into one woman's battles with a movement disorder and her fight to maintain her independence and dignity.

Argentine Queer Tango *Lexington Books*

Argentine Queer Tango: Dance and Sexuality Politics in Buenos Aires investigates changes in tango dancing in Buenos Aires during the first decade of the twenty-first century and its relationship to contemporary social and cultural transformations. Mercedes Liska focuses on one of the proposed alternatives to conventional tango, queer tango, which proposes to rethink one of the alleged icons of a national culture from a feminist conception and

to imagine social transformation processes from bodily experiences. Specifically, this book analyzes the value of bodily experiences, the redefinition of the mind-body relationship, and the transformation in the dynamics of the dance from the heteronormative movements of tango. In doing so, Liska addresses the ways in which bodily techniques and gender theories are involved in the denaturing and corporeality decoding of tango and its historical senses as well as the connections between different tango dance practices spread throughout the world.

Riding Lessons (An Ellen & Ned Book) *Knopf Books for Young Readers*

The first book in a new horse trilogy from Pulitzer Prize winner Jane Smiley starring a feisty young rider. Eleven-year-old Ellen is a spunky—and occasionally misbehaving—young riding student. Her teacher Abby Lovitt (who readers might recognize from *The Georges and the Jewels*) is a high school student who introduces her to jumping, dressage techniques, and most importantly, Ned. Ned is a colt who used to be a racehorse, until he hurt his leg and moved to Abby's ranch. Ellen and Ned seem to understand each other, and their companionship is immediate. But Ellen is only allowed to go to riding lessons when she behaves at school. And with all that's going on, from learning that she's adopted to finding out her parents are adopting a new baby, it's harder than ever for Ellen to pay attention and behave in class and at home. Will Ellen be able to spend more time on the ranch with Ned? And will her parents ever let her have a horse of her own?

ANTHEM BEYOND BOOKS HUB

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. *Anthem* anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." *Anthem* is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Dick's Kiss *University Press of the South, Incorporated*

James Joyce

Fool *Harper Collins*

"Hilarious, always inventive, this is a book for all, especially uptight English teachers, bardolaters, and ministerial students." —Dallas Morning News

Fool—the bawdy and outrageous New York Times bestseller from the unstoppable Christopher Moore—is a hilarious new take on William Shakespeare’s *King Lear*...as seen through the eyes of the foolish liege’s clownish jester, Pocket. A rousing tale of “gratuitous shagging, murder, spanking, maiming, treason, and heretofore unexplored heights of vulgarity and profanity,” Fool joins Moore’s own *Lamb*, *Fluke*, *The Stupidest Angel*, and *You Suck!* as modern masterworks of satiric wit and sublimely twisted genius, prompting Carl Hiassen to declare Christopher Moore “a very sick man, in the very best sense of the word.”

Explorations in the Field of Nonsense *BRILL*

The Court Midwife *University of Chicago Press*

First published in 1690, *The Court Midwife* made Justine Siegemund (1636-1705) the spokesperson for the art of midwifery at a time when most obstetrical texts were written by men. More than a technical manual, *The Court Midwife* contains descriptions of obstetric techniques of midwifery and its attendant social pressures. Siegemund’s visibility as a writer, midwife, and proponent of an incipient professionalism accorded her a status virtually unknown to German women in the seventeenth century. Translated here into English for the first time, *The Court Midwife* contains riveting birthing scenes, sworn testimonials by former patients, and a brief autobiography.

The Year of the Flood *Vintage Canada*

From the Booker Prize-winning author of *Oryx and Crake*, the first book in the *MaddAddam Trilogy*, and *The*

Handmaid’s Tale. Internationally acclaimed as ONE OF THE BEST BOOKS OF THE YEAR by, amongst others, the *Globe and Mail*, the *New York Times*, the *New Yorker*, and the *Village Voice* In a world driven by shadowy, corrupt corporations and the uncontrolled development of new, gene-spliced life forms, a man-made pandemic occurs, obliterating human life. Two people find they have unexpectedly survived: Ren, a young dancer locked inside the high-end sex club *Scales and Tails* (the cleanest dirty girls in town), and Toby, solitary and determined, who has barricaded herself inside a luxurious spa, watching and waiting. The women have to decide on their next move--they can’t stay hidden forever. But is anyone else out there?

The Widow Killer *St. Martin's Press*

In the downward spiral of the Third Reich’s final days, a sadistic serial killer is stalking the streets of Prague. The unlikely pair of Jan Morava, a rookie Czech police detective, and Erwin Buback, a Gestapo agent questioning his own loyalty to the Nazi’s, set out to stop the murderer. Weaving a delicate tale of human struggle underneath the surface of a thrilling murder story, Kohout has created a memorable work of fiction

The Eagle and the Raven *Chicago Review Press*

Spanning three generations, this historical novel tells the tale of Boudicca, the most famous warrior of ancient Britain, and Caradoc, the son of a Celtic king, who sets out to unite the people of the Raven and lead them against Rome. Caradoc’s objective is not easily accomplished as the Roman army advances into Britain, raping Celtic women and burning villages to the

ground. His efforts are also met with fierce opposition from Aricia, the vain queen of a northern tribe who swears allegiance to the Romans after Caradoc slights her, and from Gladys, Caradoc's warrior sister who falls in love with her Roman captor. Unfortunately, Caradoc's endeavors are left unresolved when he is taken prisoner, but Boudicca, a strong-willed woman, ultimately takes up the cause that was Caradoc's legacy.

Blood and Chocolate *Ember*

Vivian Gandillon relishes the change, the sweet, fierce ache that carries her from girl to wolf. At sixteen, she is beautiful and strong, and all the young wolves are on her tail. But Vivian still grieves for her dead father; her pack remains leaderless and in disarray, and she feels lost in the suburbs of Maryland. She longs for a normal life. But what is normal for a werewolf? Then Vivian falls in love with a human, a meat-boy. Aiden is kind and gentle, a welcome relief from the squabbling pack. He's fascinated by magic, and Vivian longs to reveal herself to him. Surely he would understand her and delight in the wonder of her dual nature, not fear her as an ordinary human would. Vivian's divided loyalties are strained further when a brutal murder threatens to expose the pack. Moving between two worlds, she does not seem to belong in either. What is she really--human or beast? Which tastes sweeter--blood or chocolate?

Sweet Little Thing *Createspace Independent Publishing Platform*

The day her mother passed away, Beulah was only given a name. That was it. No other explanation. Portia Van Allan was not someone Beulah could believe her mother ever knew. Wealthy, self-absorbed and other than the fact Portia

was supplying special care for Beulah's sister, Portia was cruel. The day Portia's son returns home for the summer, Beulah discovers that Portia isn't in charge. This isn't her home at all. Her late husband left her with nothing. It all belongs to their son who doesn't seem to like his mother at all. Jasper Van Allan doesn't know why his mother has hired a young gorgeous blonde to take care of the house and almost lets her go before he finds out the truth. Realizing there's more to Beulah than a stunning face, he keeps finding reasons to be near her all the time. It's all falling into place, it all begins to make sense . . . until the real lies, the dark secrets, and the skeletons come tumbling out of the Van Allan closet. Twisted truths that will send Beulah running . . .

Kalambo Falls Prehistoric Site *CUP Archive*

The Dream of the Celt *Farrar, Straus and Giroux*

A subtle and enlightening novel about a neglected human rights pioneer by the Nobel Laureate Mario Vargas Llosa In 1916, the Irish nationalist Roger Casement was hanged by the British government for treason. Casement had dedicated his extraordinary life to improving the plight of oppressed peoples around the world—especially the native populations in the Belgian Congo and the Amazon—but when he dared to draw a parallel between the injustices he witnessed in African and American colonies and those committed by the British in Northern Ireland, he became involved in a cause that led to his imprisonment and execution. Ultimately, the scandals surrounding Casement's trial and eventual hanging tainted his image to such a degree that his

pioneering human rights work wasn't fully reexamined until the 1960s. In *The Dream of the Celt*, Mario Vargas Llosa, who has long been regarded as one of Latin America's most vibrant, provocative, and necessary literary voices—a fact confirmed when he was awarded the Nobel Prize in Literature in 2010—brings this complex character to life as no other writer can. A masterful work, sharply translated by Edith Grossman, *The Dream of the Celt* tackles a controversial man whose story has long been neglected, and, in so doing, pushes at the boundaries of the historical novel.

Irony's Edge *Routledge*

The edge of irony, says Linda Hutcheon,

is always a social and political edge. Irony depends upon interpretation; it happens in the tricky, unpredictable space between expression and understanding. *Irony's Edge* is a fascinating, compulsively readable study of the myriad forms and the effects of irony. It sets out, for the first time, a sustained, clear analysis of the theory and the political contexts of irony, using a wide range of references from contemporary culture. Examples extend from Madonna to Wagner, from a clever quip in conversation to a contentious exhibition in a museum. *Irony's Edge* outlines and then challenges all the major existing theories of irony, providing the most comprehensive and critically challenging theory of irony to date.
