Environment - latest news, breaking stories and comment ...

To those people, the environment is often closely related to notions of wilderness and of pristine landscapes that have not been influenced - or, at least, that have been imperceptibly influenced - by human activities. However, for other people, the term 'environment' includes human elements to some extent.

1.1 What is 'the environment'?

The Environment Now was an exciting opportunity from O2’s Go Think Big in partnership with the National Youth Agency, that brought together O2’s digital expertise, sustainability leadership and commitment to young people with the NYA’s commitment to championing youth work.. The programme provided support, training and £10,000 funding grants for 50 young people aged 17-24 years to create ...
