No. 21. No. 21 Rt Hon Kenneth Clarke QC MP 25th November 1998. For most of its independent existence, India has been a political giant and an economic backwater. Until the 1990s the world's biggest democracy maintained a rather closed, protected and planned economy. Democratic socialism, of a kind that Harold Laski would have approved of, produced stability but very slow development and little alleviation of poverty.

No. 21 - Trust

However, in later phases, as human capital became the main engine of economic growth, more equal distribution of income, in the presence of credit constraints, stimulated investment in human capital and economic growth.
