Before the Computer : IBM, NCR, Burroughs, and Remington ...
C-T-R, IBM, and Information Processing before Computers. The late nineteenth and the early twentieth century saw rapid and influential technological change that justifiably resulted in such names for this period as the electrical age, the automobile age, and the flight age . Largely behind the scenes, this period was also the advent of rapid advances in mechanized data/information processing – the prehistory, if not the early history of, the information age.
