American Realism Quia - test.enableps.com

American Realism was a style in art, music and literature that depicted contemporary social realities and the lives and everyday activities of ordinary people. The movement began in literature in the mid-19th century, and became an important tendency in visual art in the early 20th century. Whether a cultural portrayal or a scenic view of downtown New York City, American realist works attempted to define what was real. In the U.S. at the beginning of the 20th century a new generation of painters

American Realism - Longwood University

Thereafter, realism became established in American political science departments, its fortunes boosted by a number of émigré European scholars, most notably the German-born political scientist and historian Hans Morgenthau. It is the realism of Carr, Morgenthau, and their followers that is labeled classical.

realism | Definition, Theories, & Facts | Britannica

noun. 1 The attitude or practice of accepting a situation as it is and being prepared to deal with it accordingly. 'What we want is the ability to recognise the difference between situations that call for optimism, trying harder, and the situations that call for realism and pessimism.'
