And if you ever before need help locating the ideal publication, our knowledgeable staff is below to offer tailored suggestions.

Mengele

The Complete Story Rowman & Littlefield
Examines the notorious Nazi's life.

Mengele

The Complete Story Cooper Square Press
Based on exclusive and unrestricted access to more than 5,000 pages of personal writings and family photos, this definitive biography of German physician and SS-Hauptsturmführer Josef Mengele (1911-1979) probes the personality and motivations of Auschwitz's "Angel of Death." From May 1943 through January 1945, Mengele selected who would be gassed immediately, who would be worked to death, and who would serve as involuntary guinea pigs for his spurious and ghastly human experiments (twins were Mengele's particular obsession). With authority and insight, Mengele examines the entire life of the world's most infamous doctor.

Mengele: Unmasking the "Angel of Death" W. W. Norton & Company
A gripping biography of the infamous Nazi doctor, from a former Justice Department official tasked with uncovering his fate. Perhaps the most notorious war criminal of all time, Josef Mengele was the embodiment of bloodless efficiency and passionate devotion to a grotesque worldview. Aided by the role he has assumed in works of popular culture, Mengele has come to symbolize the Holocaust itself as well as the failure of justice that allowed countless Nazi murderers and their accomplices to escape justice. Whether as the demonic doctor who directed mass killings or the elusive fugitive who escaped capture, Mengele has loomed so large that even with conclusive proof, many refused to believe that he had died. As chief of investigative research at the Justice Department's Office of Special Investigations in the 1980s, David G. Marwell worked on the Mengele case, interviewing his victims, visiting the scenes of his crimes, and ultimately holding his bones in his hands. Drawing on his own experience as well as new scholarship and sources, Marwell examines in scrupulous detail Mengele's life and career. He chronicles Mengele's university studies, which led to two PhDs and a promising career as a scientist; his wartime service both in frontline combat and at Auschwitz, where his "selections" sent innumerable innocents to their deaths and his "scientific" pursuits—including his studies of twins and eye color—traumatized or killed countless more; and his postwar flight from Europe and refuge in South America. Mengele describes the international search for the Nazi doctor in 1985 that ended in a cemetery in Sao Paulo, Brazil, and the dogged forensic investigation that produced overwhelming evidence that Mengele had died—but failed to convince those who, arguably, most wanted him dead. This is the riveting story of science without limits, escape without freedom, and resolution without justice.

The Pharmacist of Auschwitz

The Untold Story Crux Publishing Ltd

Surviving the Angel of Death

The True Story of a Mengele Twin in Auschwitz Simon and Schuster

Eva Mozes Kor was just ten years old when she arrived in Auschwitz. While her parents and two older sisters were taken to the gas chambers, she and her twin, Miriam, were herded into the care of the man known as the Angel of Death, Dr. Josef Mengele. Subjected to sadistic medical experiments, she was forced to fight daily for her and her twin's survival. In this incredible true story written for young adults, readers learn of a child's endurance and survival in the face of truly extraordinary evil and Eva's recovery and her controversial but often misunderstood decision to publicly forgive the Nazis. Readers will learn of how she triumphed over unfathomable pain and suffering into a life-long work for peace, human rights, and Holocaust education. The new edition provides interesting details and important context to the events related in the original story. A new Afterword by publisher Peggy Porter Tierney offers a richer portrayal of Eva as a person, the truth behind the controversies, and the eventful last ten years of her life.

Mischling Lee Boudreaux Books

A New York Times Notable Book An Amazon Best Book of the Year A Barnes & Noble Discover Pick An Indie Next Pick A Publishers Weekly Best Book of the Year A Flavorwire Best Book of the Year An Elle Best Book of the Year "One of the most harrowing, powerful, and imaginative books of the year" (Anthony Doerr) about twin sisters fighting to survive the evils of World War II. Pearl is in charge of: the sad, the good, the past. Stasha must care for: the funny, the future, the bad. It's 1944 when the twin sisters arrive at Auschwitz with their mother and grandfather. In their benighted new world, Pearl and Stasha Zagorski take refuge in their identical natures, comforting themselves with the private language and shared games of their childhood. As part of the experimental population of twins known as Mengele's Zoo, the girls experience privileges and horrors unknown to others, and they find themselves changed, stripped of the personalities they once shared, their identities altered by the burdens of guilt and pain. That winter, at a concert orchestrated by Mengele, Pearl disappears. Stasha grieves for her twin, but clings to the possibility that Pearl remains alive. When the camp is liberated by the Red Army, she and her companion Feliks--a boy bent on vengeance for his own lost twin--travel through Poland's devastation. Undeterred by injury, starvation, or the chaos around them, motivated by equal parts danger and hope, they encounter hostile villagers, Jewish resistance fighters, and fellow refugees, their quest enabled by the notion that Mengele may be captured and brought to justice within the ruins of the Warsaw Zoo. As the young survivors discover what has become of the world, they must try to imagine a future within it. A superbly crafted story, told in a voice as exquisite as it is boundlessly original, MISCHLING defies every expectation, traversing one of the darkest moments in human history to show us the way toward ethereal beauty, moral reckoning, and soaring hope.

Josef Mengele: Angel of Death

A Biography of Nazi Evil

Josef Mengele Angel of Death: A Biography of Nazi EvilBetter known as the Angel of Death today Dr. Josef Mengele is best remembered for the series of grisly experiments and murders he carried out during the Holocaust. Born in 1911 to a wealthy family in Ulm in southern Germany the young Josef Mengele studied both medicine and philosophy at university, whilst there he became particularly interested in the field of eugenics. The science of eugenics was at the peak of its popularity during the early decades of the twentieth century. Mengeles interest in eugenics was developed further when, as a young practitioner, came under the guidance of Dr. von Verschuer, a prominent German eugenicist. During the following chapters, we shall look at how Germanys turbulent, racist and anti-Semitic society, which was particularly virulent in the post World War I Weimar Republic period, shaped the views of the young Josef Mengele. This ultimately led to him joining the Nazi party, an organization that held similar views to Mengele on the subject of eugenics. The Nazi party would also allow him free reign to conduct his ghastly experiments. This Josef Mengele biography details the life and crimes of the Angel of Death

Killing the Dream

James Earl Ray and the Assassination of Martin Luther King, Jr. Open Road Media

A deep dive into James Earl Ray’s role in the national tragedy: “Superb . . . a model of investigation . . . as gripping as a first-class detective story” (The New York Times). On April 4, 1968, Martin Luther King Jr. was killed in Memphis, Tennessee, by a single assassin’s bullet. A career criminal named James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony from where King was cut down. An international manhunt ended two months later with Ray’s capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In Killing the Dream, expert investigative reporter Gerald Posner reexamines Ray and the evidence, even tracking down the mystery man Ray claimed was the conspiracy’s mastermind. Beginning with an authoritative biography of Ray’s life, and continuing with a gripping account of the assassination and its aftermath, Posner cuts through phony witnesses, false claims, and a web of misinformation surrounding that tragic spring day in 1968. He puts Ray’s conspiracy theory to rest and ultimately manages to disclose what really happened the day King was murdered.

God's Bankers

A History of Money and Power at the Vatican Simon and Schuster

A deeply reported, New York Times bestselling exposé of the money and the clerics-turned-financiers at the heart of the Vatican—the world’s biggest, most powerful religious institution—from an acclaimed journalist with “exhaustive research techniques” (The New York Times). From a master chronicler of legal and financial misconduct, a magnificent investigation nine years in the making, God’s Bankers traces the political intrigue of the Catholic Church in “a meticulous work that cracks wide open the Vatican’s legendary, enabling secrecy” (Kirkus Reviews). Decidedly not about faith, belief in God, or religious doctrine, this book is about the church’s accumulation of wealth and its byzantine financial entanglements across the world. Told through 200 years of prelates, bishops, cardinals, and the Popes who oversee it all, Gerald Posner uncovers an eyebrow-raising account of money and power in one of the world’s most influential organizations. God’s Bankers has it all: a revelatory and astounding saga marked by poisoned business titans, murdered prosecutors, and mysterious deaths written off as suicides; a carnival of characters from Popes and cardinals, financiers and mobsters, kings and prime ministers; and a set of moral and political circumstances that clarify not only the church’s aims and ambitions, but reflect the larger tensions of more recent history. And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed: to overcome the resistance to change in the Vatican’s Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire. “As exciting as a mystery thriller” (Providence Journal), this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power.

Josef Mengele The Rosen Publishing Group, Inc

As the number of first-hand witnesses shrinks, there is an urgent need to educate a new generation of readers on the tragedy of the Holocaust. Coinciding with the 70th anniversary of the liberation of Auschwitz, this title presents the harrowing details of one of the concentration camp's most infamous figures. Known as Auschwitz's Angel of Death, Mengele was the doctor responsible for some of the most unsettling Nazi human experiments. This title uncovers the details of his early life, his rise within the Nazi Party, his atrocious deeds at the concentration camp, and his life in hiding.

The Choice

Embrace the Possible Simon and Schuster

A New York Times Bestseller “I’ll be forever changed by Dr. Eger’s story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we’ve lost, or to pay attention to what we still have.”—Oprah “Dr. Eger’s life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well.” —Desmond Tutu, Nobel Peace Prize Laureate “Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal.” —Jeannette Walls, New York Times bestselling author of The Glass Castle Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor’s guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she’d been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. The Choice is a life-changing book that will provide hope and comfort to generations of readers.

"Using his wits, cunning and inordinate will to live, Jack Oran escaped from the Nazis during the devastating Auschwitz Death March."--

Case Closed

Lee Harvey Oswald and the Assassination of JFK Open Road Media

Pulitzer Prize Finalist: “By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not.” —The New York Times Book Review The Kennedy assassination has reverberated for five decades, with tales of secret plots, multiple killers, and government cabals often overshadowing the event itself. As Gerald Posner writes, “Fifty years after the assassination, the biggest casualty has been the truth.” In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963. Drawing from official sources and dozens of interviews, and filled with powerful historical detail, Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.

The Tattooist of Auschwitz

A Novel HarperCollins

The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme

Simson, internationally-bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

Hitler's Children *Vintage*

Super Graphic

A Visual Guide to the Comic Book Universe *Chronicle Books*
The comic book universe is adventurous, mystifying, and filled with heroes, villains, and cosplaying Comic-Con attendees. This book by one of Wired magazine's art directors traverses the graphic world through a collection of pie charts, bar graphs, timelines, scatter plots, and more. Super Graphic offers readers a unique look at the intricate and sometimes contradictory storylines that weave their way through comic books, and shares advice for navigating the pages of some of the most popular, longest-running, and best-loved comics and graphic novels out there. From a colorful breakdown of the DC Comics reader demographic to a witty Venn diagram of superhero comic tropes and a Chris Ware sadness scale, this book charts the most arbitrary and monumental characters, moments, and equipment of the wide world of comics. Plus, this is the fixed format version, which includes high-resolution images.

Auschwitz Lullaby

A Novel *Thomas Nelson*
Based on the true story of a brave German nurse tasked with caring for Auschwitz’s youngest prisoners, *Auschwitz Lullaby* brings to life the story of Helene Hannemann—a woman who sacrificed everything for family and fought furiously for the children she hoped to save. On an otherwise ordinary morning in 1943, Helene Hannemann is preparing her five children for the day when the German police arrive at her home. Helene’s worst fears come true when the police, under strict orders from the SS, demand that her children and husband, all of Romani heritage, be taken into custody. Though Helene is German and safe from the forces invading her home, she refuses to leave her family—sealing her fate in a way she never could have imagined. After a terrifying trek across the continent, Helene and her family arrive at Auschwitz and are thrown into the chaos of the camp. Her husband, Johann, is separated from them, but Helene remains fiercely protective of her children and those around her. When the powers-that-be discover that Helene is not only a German but also a trained nurse, she is forced into service at the camp hospital, which is overseen by the notorious Dr. Mengele himself. Helene is under no illusions in terms of Dr. Mengele’s intentions, but she agrees to cooperate when he asks her to organize a day care and school for the Romani children in the camp. Though physically and emotionally brutalized by the conditions at Auschwitz, Helene musters the strength to protect the children in her care at any cost. Through sheer force of will, Helene provides a haven for the children of Auschwitz—an act of kindness and selflessness so great that it illuminates the darkest night of human history. Based on a true story, Mario Escobar’s *Auschwitz Lullaby* demonstrates the power of sacrifice and the strength of human dignity—even when all hope seems lost. “Auschwitz Lullaby grabbed my heart and drew me in. A great choice for readers of historical fiction.” —Irma Joubert, author of *The Girl from the Train* An international bestseller Full-length World War II historical novel A finalist for 2019’s Empik Award for Literature Includes discussion questions for book clubs, research notes from the author, and a historical timeline

Gazing at the Stars

Memories of a Child Survivor *Black Inc.*
In March 1939, seven-year-old Eva Weiss's innocence was shattered by Germany's invasion of her homeland, Slovakia. Over the next five years, as the Nazi persecution of Europe's Jews gathered momentum, Eva's parents were forced to send their children into hiding, but she and her sister Marta could not avoid capture. In this remarkable memoir, Eva recounts her experiences at the Auschwitz-Birkenau concentration camp. There, she witnessed countless horrors and was herself subjected to torture, extreme deprivation, and medical experimentation at the hands of the notorious Dr Josef Mengele. When the Soviet army liberated the survivors of Auschwitz early in 1945, Eva and Marta faced a new challenge: crossing war-torn Europe to be reunited with their family. Narrated with the heartbreaking innocence of a young girl and the wisdom of a woman of eighty-three, *Gazing at the Stars* is a record of survival in the face of unimaginable evil. It is the culmination of Eva Slonim's lifelong commitment to educating the world about the Holocaust, and to keeping alive the memory of the many who perished. Eva Slonim (née Weiss) was born in Bratislava, Slovakia, in 1931. A survivor of the Holocaust, Eva relocated with her family to Melbourne in 1948. She married Ben Slonim in 1953, and together they had five children, and many grandchildren and great- grandchildren, fulfilling Eva's wish to rebuild what was lost in Europe. A gifted storyteller, and deeply passionate about the importance of education and community, Eva has for many years given public talks on her experiences during the war.

The Accomplice

A Novel *Washington Square Press*
Named “The Book of the Year” by Lee Child in *The Guardian* From “master of the genre” (*The Washington Post*) and author of *Leaving Berlin*, a heart-pounding and intelligent espionage novel about a Nazi war criminal who was supposed to be dead, the rogue CIA agent on his trail, and the beautiful woman connected to them both. Seventeen years after the fall of the Third Reich, Max Weill has never forgotten the atrocities he saw as a prisoner at Auschwitz—nor the face of Dr. Otto Schramm. He was the camp doctor who worked with Mengele on appalling experiments and who sent Max’s family to the gas chambers. As the war came to a close, Schramm was one of the many high-ranking former-Nazi officers who managed to escape Germany for new lives in South America, where leaders like Argentina’s Juan Perón gave them safe harbor and new identities. With his life nearing its end, Max asks his nephew Aaron Wiley—an American CIA desk analyst—to complete the

task Max never could: to track down Otto in Argentina, capture him, and bring him back to Germany to stand trial. Unable to deny his uncle, Aaron travels to Buenos Aires and discovers a city where Nazis thrive in plain sight, mingling with Argentine high society. He ingratiates himself with Otto’s alluring but damaged daughter, whom he’s convinced is hiding her father. Enlisting the help of a German newspaper reporter, an Israeli agent, and the obliging CIA station chief in Buenos Aires, he hunts for Otto—a complicated monster, unexpectedly human but still capable of murder if cornered. Unable to distinguish allies from enemies, Aaron will ultimately have to discover just how far he is prepared to go to render justice. “With his remarkable emotional precision and mastery of tone” (*Kirkus Reviews*, starred review), Joseph Kanon crafts another “gripping and authentic” (*The New York Times Book Review*) thriller that you won’t be able to put down.

The Bio-assassins *McGraw-Hill Companies*
A CIA research station in London is attacked, its members murdered, and their potentially lethal biological research is stolen, setting iconoclastic agent Richard McGinnis off in pursuit of the enemy agents and their deadly bacteria

Josef Mengele The Angel Of Death

The Horrific Story Of The Evil Nazis Doctor Who Carried Out The Experiment Of The Twins Of Auschwitz
Josef Mengele the angel Of Death was Born in 1911 to a wealthy family in Ulm in southern Germany the young Josef Mengele studied both medicine and philosophy at university, whilst there he became particularly interested in the field of eugenics. The science of eugenics was at the peak of its popularity during the early decades of the twentieth century. Mengele's interest in eugenics was developed further when, as a young practitioner, came under the guidance of Dr. von Verschuer, a prominent German eugenicist.During the following chapters, we shall look at how Germany's turbulent, racist and anti-Semitic society, which was particularly virulent in the post World War I Weimar Republic period, shaped the views of the young Josef Mengele. This ultimately led to him joining the Nazi party, an organization that held similar views to Mengele on the subject of eugenics. The Nazi party would also allow him free reign to conduct his ghastly experiments.

A fast-paced, medical-historical mystery, filled with twists and turns.-Chicago Tribune

Doctors from Hell

The Horrific Account of Nazi Experiments on Humans *Sentient Publications*
Provides a chilling account of the experiments and scientific research performed on human subjects, primarily concentration camp inmates, by Nazi physicians, based on previously unpublished photographs and documents used during the Nuremberg trials.

The Boys from Brazil: A Novel *Simon and Schuster*
The classic thriller of Dr. Josef Mengele's nightmarish plot to restore the Third Reich. Alive and hiding in South America, the fiendish Nazi Dr. Josef Mengele gathers a group of former colleagues for a horrifying project—the creation of the Fourth Reich. Barry Kohler, a young investigative journalist, gets wind of the project and informs famed Nazi hunter Ezra Lieberman, but before he can relay the evidence, Kohler is killed. Thus Ira Levin opens one of the strangest and most masterful novels of his career. Why has Mengele marked a number of harmless aging men for murder? What is the hidden link that binds them? What interest can they possibly hold for their killers: six former SS men dispatched from South America by the most wanted Nazi still alive, the notorious “Angel of Death”? One man alone must answer these questions and stop the killings—Lieberman, himself aging and thought by some to be losing his grip on reality. At the heart of *The Boys from Brazil* lies a frightening contemporary nightmare, chilling and all too possible.

Miami Babylon

Crime, Wealth, and Power--A Dispatch from the Beach *Simon & Schuster*
Here, in all its neon-colored, cocaine-fueled glory, is the never-before-told story of the making of Miami Beach. Gerald Posner, author of the groundbreaking investigations *Case Closed* and *Why America Slept*, has uncovered the hair-raising political-financial-criminal history of the Beach and reveals a tale that, in the words of one character, "makes Scarface look like a documentary." From its beginnings in the 1890s, the Beach has been a place made by visionaries and hustlers. During Prohibition, Al Capone had to muscle into its bootlegging and gambling businesses. After December 1941, when the Beach was the training ground for half a million army recruits, even the war couldn't stop the party. After a short postwar boom, the city's luck gave out. The big hotels went bankrupt, the crime rate rose, and the tourists moved on to Disney World and the Caribbean. Even after the Beach hosted both national political conventions in 1972, nobody would have imagined that this sandy backwater of run-down hotels and high crime would soon become one of the country's most important cultural centers. But in 1981, 125,000 Cubans arrived by the boatload. The empty streets of South Beach, lined with dilapidated Art Deco hotels, were about to be changed irrevocably by the culture of money that moved in behind cocaine and crime. Posner takes us inside the intertwined lives of politicians, financiers, nightclub owners, and real estate developers who have fed the Beach's unquenchable desire for wealth, flash, and hype: the German playboy who bought the entire tip of South Beach with \$100 million of questionable money; the mayoral candidate who said, "If you can't take their money, drink their liquor, mess with their women, and then vote against them, you aren't cut out for politics"; the Staten Island thug who became king of the South Beach nightclubs only to have his empire unravel and saved himself by testifying against the mob; the campaign manager who calls himself the "Prince of Darkness" and got immunity from prosecution in a fraud case by cooperating with the FBI against his colleagues; and the former Washington, D.C., developer who played hardball with city hall and became the Beach's first black hotel owner. From the mid-level coke dealers and their suitcases of cash to the questionable billions that financed the ocean-view condo towers, the Beach has seen it all. Posner's singular report tells the real story of how this small urban beach community was transformed into a world-class headquarters for American culture within a generation. It is a story built by dreamers and schemers. And a steroid-injected cautionary tale.

The Chosen Ones

A Novel Farrar, Straus and Giroux

The Am Spiegelgrund clinic, in glittering Vienna, masqueraded as a well-intentioned reform school for wayward boys and girls and a home for chronically ill children. The reality, however, was very different: in the wake of Germany's annexation of Austria on the eve of World War II, its doctors, nurses, and teachers created a monstrous parody of the institution's benign-sounding brief. The Nazi regime's euthanasia program would come to determine the fate of many of the clinic's inhabitants. Through the eyes of a child inmate, Adrian Ziegler, and a nurse, Anna Katschenka, Steve Sem-Sandberg, the author of the award-winning *The Emperor of Lies*, explores the very meaning of survival. An absorbing, emotionally overwhelming novel, rich in incident and character, *The Chosen Ones* is obliquely illuminated by the author's sharp sense of the absurd. Passionately serious, meticulously researched, and deeply profound, this extraordinary and dramatic novel bears witness to oppression and injustice, and offers invaluable and necessary insight into an intolerable chapter in Austria's past.

Hiding in Plain Sight

The Pursuit of War Criminals from Nuremberg to the War on Terror *Univ of California Press*
Hiding in Plain Sight tells the story of the global effort to apprehend the world's most wanted fugitives. Beginning with the flight of tens of thousands of Nazi war criminals and their collaborators after World War II, then moving on to the question of justice following the recent Balkan wars and the Rwandan genocide, and ending with the establishment of the International Criminal Court and America's pursuit of suspected terrorists in the aftermath of 9/11, the book explores the range of diplomatic and military strategies—both successful and unsuccessful—that states and international courts have adopted to pursue and capture war crimes suspects. It is a story fraught with broken promises, backroom politics, ethical dilemmas, and daring escapades—all in the name of international justice and human rights. Hiding in Plain Sight is a companion book to the public television documentary *Dead Reckoning: Postwar Justice from World War II to The War on Terror*. For more information about the documentary, visit www.pbs.org/wnet/dead-reckoning/. And for more information about the Human Rights Center, visit hrc.berkeley.edu.

Giants

The Dwarfs of Auschwitz : the Extraordinary Story of the Lilliput Troupe Robson Books Limited

In this remarkable, never-before-told account of the Ovitz family, seven of whose ten members were dwarves, readers bear witness to the terrible irony of the Ovitz's fate: being burdened with dwarfism helped them to endure the Holocaust.

Why America Slept

The Failure to Prevent 9/11 Random House Incorporated

Examines the terrorist attacks of September 11th and why the disaster was not prevented, discussing how breakdowns in intelligence and political infighting allowed terrorists to carry out an unprecedented attack on American soil.

Auschwitz

True Tales From a Grotesque Land Univ of North Carolina Press

From the moment I got to Auschwitz I was completely detached. I disconnected my heart and intellect in an act of self-defense, despair, and hopelessness." With these words Sara Nomberg-Przytyk begins this painful and compelling account of her experiences while imprisoned for two years in the infamous death camp. Writing twenty years after her liberation, she recreates the events of a dark past which, in her own words, would have driven her mad had she tried to relive it sooner. But while she records unimaginable atrocities, she also richly describes the human compassion that stubbornly survived despite the backdrop of camp depersonalization and imminent extermination. Commemorative in spirit and artistic in form, Auschwitz convincingly portrays the

paradoxes of human nature in extreme circumstances. With consummate understatement Nomberg-Przytyk describes the behavior of concentration camp inmates as she relentlessly and pitilessly examines her own motives and feelings. In this world unmitigated cruelty coexisted with nobility, rapacity with self-sacrifice, indifference with selfless compassion. This book offers a chilling view of the human drama that existed in Auschwitz. From her portraits of camp personalities, an extraordinary and horrifying profile emerges of Dr. Josef Mengele, whose medical experiments resulted in the slaughter of nearly half a million Jews. Nomberg-Przytyk's job as an attendant in Mengle's hospital allowed her to observe this Angel of Death firsthand and to provide us with the most complete description to date of his monstrous activities. The original Polish manuscript was discovered by Eli Pfefferkorn in 1980 in the Yad Vashem Archive in Jerusalem. Not knowing the fate of the journal's author, Pfefferkorn spent two years searching and finally located Nomberg-Przytyk in Canada. Subsequent interviews revealed the history of the manuscript, the author's background, and brought the journal into perspective.

Entwined Simon and Schuster

No matter how cruelly twins are separated, their lives will always be entwined In the newly liberated streets of modern Berlin two women, a pampered, beautiful Baroness, losing control of her mind, and a fearless wild animal trainer, facing the greatest challenge of her career, are drawn together by a series of tragic and extraordinary coincidences. When a man is found brutally murdered, their lives become entangled by an investigation that uncovers a web of darkness and opens up secrets that have long been condemned to silence . . . Who were they, all those years ago? What nightmares did they share? And what I the truth about the undying nature of their love?

The Librarian of Auschwitz Henry Holt and Company (BYR)

Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive during the Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections. Godwin Books

Pharma

Greed, Lies, and the Poisoning of America Simon and Schuster

Award-winning journalist and New York Times bestselling author Gerald Posner reveals the heroes and villains of the trillion-dollar-a-year pharmaceutical industry and delivers “a withering and encyclopedic indictment of a drug industry that often seems to prioritize profits over patients (The New York Times Book Review). Pharmaceutical breakthroughs such as antibiotics and vaccines rank among some of the greatest advancements in human history. Yet exorbitant prices for life-saving drugs, safety recalls affecting tens of millions of Americans, and soaring rates of addiction and overdose on prescription opioids have caused many to lose faith in drug companies. Now, Americans are demanding a national reckoning with a monolithic industry. “Gerald’s dogged reporting, sets Pharma apart from all books on this subject” (The Washington Standard) as we are introduced to brilliant scientists, incorruptible government regulators, and brave whistleblowers facing off against company executives often blinded by greed. A business that profits from treating ills can create far deadlier problems than it cures. Addictive products are part of the industry’s DNA, from the days when corner drugstores sold morphine, heroin, and cocaine, to the past two decades of dangerously overprescribed opioids. Pharma also uncovers the real story of the Sacklers, the family that became one of America’s wealthiest from the success of OxyContin, their blockbuster narcotic painkiller at the center of the opioid crisis. Relying on thousands of pages of government and corporate archives, dozens of hours of interviews with insiders, and previously classified FBI files, Posner exposes the secrets of the Sacklers’ rise to power—revelations that have long been buried under a byzantine web of interlocking companies with ever-changing names and hidden owners. The unexpected twists and turns of the Sackler family saga are told against the startling chronicle of a powerful industry that sits at the intersection of public health and profits. “Explosively, even addictively, readable” (Booklist, starred review), Pharma reveals how and why American drug companies have put earnings ahead of patients.
