This was hardly a new phenomenon: women’s movements had always been met with antagonism. However, in the 1980s, institutionalised forms of attacks on women’s rights grew stronger. The third wave of feminism can be characterised by an increased awareness of overlapping categories, such as race, class, gender, sexual orientation. More emphasis was also placed on racial issues, including the status of women in other parts of the world (global feminism).

To start off our timeline of the feminist movement, we're going to talk about First Wave Feminism. Throughout the late 18th, 19th, and early 20th century, First Wave Feminism was what roiled the American political scene. This was a form of feminism that championed certain specific causes dealing with a woman's right to have a voice in society.

A Timeline of the Feminist Movement

The women’s movement of the 1960s and ‘70s, the so-called “second wave” of feminism, represented a seemingly abrupt break with the tranquil suburban life pictured in American popular culture. Yet the roots of the new rebellion were buried in the frustrations of college-educated mothers whose discontent impelled their daughters in a new direction. If first-wave feminists were inspired by the abolition movement, their great-granddaughters were swept into feminism by the civil rights ...
