The purpose of a dialectical journal is to identify significant pieces of text and explain the significance. It is another form of highlighting/annotating text and should be used to think about, digest, summarize, question, clarify, critique, and remember what is read. It is a way to take notes on what is read using the actual text, so that when you are asked to write an essay about or utilize the information from the text you do not have to re-read the entire piece.
