The 6th China International Silver Industry Exhibition ...

This study argues that the 1935–1936 International Exhibition of Chinese Art in London represented the visible implementation of this form of internationalism in all its complexity. While previous shows had included objects that European—and sometimes American—collectors had brought back from China, this exhibition was organized

The Aesthetics of Internationalism: Culture and Politics

...

The International Style or internationalism is a major architectural style that was developed in the 1920s and 1930s and was closely related to modernism and modern architecture. It

was first defined by Museum of Modern Art curators Henry-Russell Hitchcock and Philip Johnson in 1932, based on works of architecture from the 1920s. The terms rationalist architecture and modern movement are often ...
