Thirteen Ways of Looking

Fiction *Random House*

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Los Angeles Times • The Boston Globe • The Seattle Times • The Independent In such acclaimed novels as *Let the Great World Spin* and *TransAtlantic*, National Book Award-winning author Colum McCann has transfixed readers with his precision, tenderness, and authority. Now, in his first collection of short fiction in more than a decade, McCann charts the territory of chance, and the profound and intimate consequences of even our smallest moments. "As it was, it was like being set down in the best of poems, carried into a cold

landscape, blindfolded, turned around, unblindfolded, forced, then, to invent new ways of seeing.” In the exuberant title novella, a retired judge reflects on his life’s work, unaware as he goes about his daily routines that this particular morning will be his last. In “Sh’khol,” a mother spending Christmas alone with her son confronts the unthinkable when he disappears while swimming off the coast near their home in Ireland. In “Treaty,” an elderly nun catches a snippet of a news report in which it is revealed that the man who once kidnapped and brutalized her is alive, masquerading as an agent of peace. And in “What Time Is It Now, Where You Are?” a writer constructs a story about a Marine in Afghanistan calling home on New Year’s Eve. Deeply personal, subtly subversive, at times harrowing, and indeed funny, yet also full of comfort, *Thirteen Ways of Looking* is a striking achievement. With unsurpassed empathy for his characters and their inner lives, Colum McCann forges from their stories a profound tribute to our search for meaning and grace. The collection is a rumination on the power of storytelling in a world where language and memory can sometimes falter, but in the end do not fail us, and a contemplation of the healing power of literature. Praise for *Thirteen Ways of Looking* “Extraordinary . . . incandescent.”—Chicago Tribune “The irreducible mystery of human experience ties this small collection together, and in each of these stories McCann explores that theme in some strikingly effective ways. . . . [The first story] is as fascinating as it is poignant. . . . [The second] captures the mundane and mysterious aspects of shaping characters from the gray clay of words, placing them in realistic settings and breathing life into their lungs. . . . That he makes the story so emotionally compelling is a sign of his genius. . . . The most remarkable [piece] is Sh’khol. . . . Caught in the rushing currents of this drama, you know you’re reading a little masterpiece.”—The Washington Post “McCann is a writer of power and subtlety and beauty. . . . The powerful title story loiters in the mind long after you’ve read it.”—Sarah Lyall, The New York Times “[McCann] unspools complex and unforgettable stories in this, his first collection in more than a decade.”—The Boston Globe “McCann is a passionate writer whose impulse is always toward a generous understanding of his diverse characters.”—The Wall Street Journal “Powerful, profound, and deeply empathetic, McCann’s beautifully wrought writing in *Thirteen Ways of Looking* glides off the page.”—BuzzFeed “McCann weaves the magic that made *Let the Great World Spin* so acclaimed.”—The Huffington Post

My First Summer in the Sierra

John Muir, a young Scottish immigrant, had not yet become a famed conservationist when he first trekked into the foothills of the Sierra Nevada, not long after the Civil War. He was so captivated by what he saw that he decided to devote his life to the glorification and preservation of this magnificent wilderness. “My First Summer in the Sierra,” whose heart is the diary Muir kept while tending sheep in Yosemite country, enticed thousands of Americans to visit this magical place, and resounds with Muir’s regard for the “divine, enduring, unwasteable wealth” of the natural world. A classic of environmental literature, “My First Summer in the Sierra” continues to inspire readers to seek out such places for themselves and make them their own.

Summer of Brave *Albert Whitman & Company*

Twelve-year-old Lilla Baxter-Willoughby doesn’t lie. She’s just a little bit...selective. To keep her parents happy, Lilla hides how much she hates moving back and forth between their houses, and she stomps down her doubts about that elite high school they’re pushing her toward. To keep peace with her best friend Vivi, Lilla doesn’t share that she got the junior camp counselor job that Vivi wanted. And even though—no, especially because—he seems into it, Lilla does not tell the boy she grew up with about all the little sparks that flared up inside her the day she noticed his Suddenly Adorable Freckles. So when Vivi dares Lilla to start telling the truth as part of their Summer of Brave, Lilla hesitates. Because if she says out loud what she really wants, her whole life might crash down around her. And she doesn’t need that. Except maybe she does.

Children Under Fire

An American Crisis *HarperCollins*

One of The New York Times’ 16 New Books to Watch for in March One of Publishers Weekly’s Most Anticipated Books of the Year One of Newsweek’s Most Highly Anticipated Books of the Year One of BuzzFeed’s Most Anticipated Books the Year Based on the acclaimed series—a finalist for the Pulitzer Prize—an intimate account of the devastating effects of gun violence on our nation’s children, and a call to action for a new way forward In 2017, seven-year-old Ava in South Carolina wrote a letter to Tyshaun, an eight-year-old boy from Washington, DC. She asked him to be her pen pal; Ava thought they could help each other. The kids had a tragic connection—both were traumatized by gun violence. Ava’s best friend had been killed in a campus shooting at her elementary school, and Tyshaun’s father had been shot to death outside of the boy’s elementary school. Ava’s and Tyshaun’s stories are extraordinary, but not unique. In the past decade, 15,000 children have been killed from gunfire, though that number does not account for the kids who weren’t shot and aren’t considered victims but have nevertheless been irreparably harmed by gun violence. In *Children Under Fire*, John Woodrow Cox investigates the effectiveness of gun safety reforms as well as efforts to manage children’s trauma in the wake of neighborhood shootings and campus massacres, from Columbine to Marjory Stoneman Douglas. Through deep reporting, Cox addresses how we can effect change now, and help children like Ava and Tyshaun. He explores their stories and more, including a couple in South Carolina whose eleven-year-old son shot himself, a Republican politician fighting for gun safety laws, and the charlatans infiltrating the school safety business. In a moment when the country is desperate to better understand and address gun violence, *Children Under Fire* offers a way to do just that, weaving wrenching personal stories into a critical call for the United States to embrace practical reforms that would save thousands of young lives.
