The Canadian Review of Social Policy/Revue canadienne de politique sociale is a scholarly and bilingual journal of progressive social policy. It aims to promote the exchange of ideas amongst a network of people involved in education, the public sector and social movements in the field of Canadian social policy and administration.

Canadian Review of Social Policy

Social policy addresses how states and societies respond to global challenges of social, demographic and economic change, and of poverty, migration and globalisation. Social policy analyses the different roles of: national governments, the family, civil society, the market, and international organisations in providing services and support across the life course from childhood to old age.
