Here you will use a piano, but it is the same principle for any instrument. You don't have to know anything about music to play this game, but it is best if you learn some basic theory.

Free game: Learn how to read music [Mobile friendly]

Learning to read music is absolutely necessary for classical music. It is almost necessary if you want to become a professional. John Lennon and Paul McCartney couldn't read a single note. But why leave it to accidental genes (and genius) when learning to read music is definitely not as difficult as learning Cantonese.

10 Websites Where You Can Learn To Read Music

When you start to learn music theory it's usually because you are learning an instrument. This is the best way to begin, as you

learn to read the notes as you play. In the early lessons you'll learn the note values and note names. You do this by practicing simple repetitive exercises that allow you to absorb the new information as you go.

How To Read Music Made Easy

I read the book cover to cover when I received it just to get an understanding about reading music. Over the past 2 years, I've pulled this book out so many times, this book has been a gem for me. I'm now at 2 years 7 months playing and I just pulled the book out again to try and understand the melodic minor, and harmonic minor scales-I get it now.
