Three Dialogues between Hylas and Philonous. Berkeley actually begins the Principles with an extended attack on abstract general ideas; in the Dialogues this argument is shortened considerably and given much less prominent billing. These changes can probably be attributed to a very simple motive: in the Dialogues Berkeley is trying to make his philosophy more accessible and popularized, and the concept of abstract general ideas is rather abstract and obscure.

George Berkeley, Three Dialogues between Hylas and Philonous Since it is the mind that perceives, humans are simply minds without any material bodies. Thus, actually, there are two modes of existence for Berkeley – that

which is perceived (sensible, non-

material objects) and that which
perceives (mind).
