Our work in the social sciences began in
the late 1700s with the opening of an
adult education school here in
Nottingham. Over the next 200 years,
our people have been (and continue to
be) the key to our success - changing
government policy, working to
understand societal issues and helping
to solve global problems. Concerned
with how the world works, social science
is, in its broadest sense, the study of
people and societies.
