Observation, Assessment and Planning in the Early Years Foundation Stage (EYFS) An eight-part guide to one of the most challenging aspects of the EYFS framework, by renowned early years consultant Helen Bromley.

Observation, Assessment and Planning in the Early Years ...

Effective observational assessment, which involves noticing children’s interests, skills and knowledge, should be used to plan relevant and motivating learning experiences for each child. When children have access to a rich learning environment it provides them with the opportunities and conditions in which they can flourish in all aspects of their development.

Good practice in early years observation and assessment ...

Assessment in the EYFS is of two main types – on-going assessment which is what practitioners do on a daily basis to make decisions about what the child has learned or can do already so as to help the child move on in their learning – this is sometimes called ‘formative’ assessment because it informs the next steps that are planned with the child and the parent. Another type of assessment known as ‘summative’ assessment takes place twice in the Revised EYFS.

Observation, Assessment and Planning - Early Years Matters

The abilities required to be an effective observer are not necessarily inherent and training should be available to practitioners covering: • purposes and values of observation and assessment • principles of observation and assessment • range of observational methods available • considerations required prior to observing • adapting teaching, individual education plans and planning as a result of observations • need to involve parents and children.

Observation and Assessment

Advantages of Observational Assessment. Reliable Data - As the assessor is actively watching and recording the actions of the subject during an observational assessment, the results can be deemed to be more reliable. Observational assessment uses. Show me an Example. Direct Practice of an Action - With the physical demonstration of the desired task, the candidate is immediately immersed in the actual work helping them to understand the employer's requirements.

Insight: 5 Benefits of Observational Assessment | eCom ...

Effective Practice is about ensuring that all children get optimum benefit from their experiences in the EYFS. This apparently simple outcome can only be achieved when adults work together to get to know the children so that they can support their play, development and learning.

Effective Practice - Early Years Matters
