**The Politics of Indigeneity:
Challenging the State in ...**

The Politics of Indigeneity is distinctive for its global, regional and local manifestations of the struggle for governments and indigenous people to

define the terms of their co-existence, yet many of the challenges it presents have a clear and compelling resonance across political and geographical boundaries. With this insight as their departure point, authors Roger Maaka and Augie Fleras engage with the many challenges, opportunities and questions thrown up by the politics of indigeneity ...
