Even as regime moderates tried to carefully advance reforms, pro-democracy groups were skeptical of the government's intentions. Mindful of this, another key objective of regime reformers was to strengthen mutual understanding with left wing opposition groups.

The Spanish Transition to Democracy | Tavaana

The Chilean transition to democracy began when a Constitution establishing a transition itinerary was approved in a plebiscite. From March 11, 1981 to March 1990, several organic

constitutional laws were approved, leading to the final restoration of democracy. After the 1988 plebiscite, the 1980 Constitution was amended to ease provisions for future amendments to the constitution, create more seats in the senate, diminish the role of the National Security Council, and equalize the number of civi

Chilean transition to democracy - Wikipedia

This article argues that the political pacts bargained by elites that made the regime transition possible limited the extension of democracy. By restoring to old regime elites many sources of their political power as the price for their support for democratization, political pacts left the military with a substantial degree of formal and informal power over civilians, preserved clientelism, and undermined the ability of political parties to transform themselves into genuine transmission ...
