"In sum, Immigrant Ambassadors provides a valuable look at Tibetan cultural flexibility and political action in the context of official immigration to the United States. As Tibetans increasingly move from South Asia to other destinations around the world, the questions Hess raises about Tibetan political allegiance in Immigrant Ambassadors will remain current, and the answers she provides ...

Immigrant Ambassadors: Citizenship and Belonging in the ...

James Hampshire explores the politics of immigration in postwar Britain and shows how

ideas of race, demography and belonging intertwined to shape immigration policy. It is the first book to explain immigration in terms of the politics of demographic governance - how states manage and regulate their populations - and provides a much needed historical context to current debates.
