Privatizing American Public Higher Education

PRIVATIZING HIGHER EDUCATION
Perhaps in reaction to the volatile campus environment of the 1960s and early 1970s, not to mention a taxpayer

revolt that swept the nation in the 1980s, public higher education in the United States has confronted significant challenges, especially in terms of support (Spring, 1986; Schrecker, 2010; Yamada, 2010).

Privatizing American public higher education: racing down ...

A bold and permanent federal program is needed to fully harness the federal government's investment in higher education, especially in its pursuit of college access for low- and middle-income students. Toward this end, AASCU proposes a federal matching program to stop the privatization of public higher education. Called the Federal-State College Affordability Partnership, it would leverage up to \$15 billion in federal student aid dollars to incentivize states to invest in public higher ...

Stopping the Privatization of American Public Higher Education

When public colleges and universities become essentially private, the impact on disenfranchised citizens, private higher education, and even the nation's economy could be devastating. This article describes selected case examples of states and public institutions that have already set in motion a slide down a slippery slope.

Privatizing American Public Higher Education: Racing down ...

The Privatization of Public Higher Education. By Bill Hobby. Public support for higher education is declining all over the country. In state after state appropriations are going down. Tuition is going up. Fewer black or brown high school graduates can afford to go to college. Last year The Chronicle of

Higher Education reported (in an article called "The Fall of the Flagships) that

"Lawrence Baines' Privatization of America's Public Institutions: The Story of the American Sellout combines analyses of assaults on four public

sectors, the military, corrections departments, public schools, and higher education, to reveal the immense scale of privatization and its dangers. Baines carefully documents the ways that 'Privatization is changing the nature of America's ...

American Sellout, Human Rights, Privatization

A. Public policy in higher education is as varied as the 50 states — indeed, if you know one state then you likely only know one state. My research focused largely on the flagship institutions and those with great market strength, but I did analyze the community college systems and comprehensive universities and found increasing forms of privatization at those institutions as well.

Does privatizing public higher education necessarily ...

The privatization of education works to help every student find the best possible school within their reach so that they can earn their future success. Vouchers make it possible for a student who lives somewhere with a poorly performing public school to attend a private school for an improved experience.

19 Pros and Cons of Privatization of Education - Vittana.org

Higher education institutions are facing increasing pressure on their mission to provide high-quality, affordable education to students and perform world-class research. Reductions in public funding support and concerns about overall affordability present substantial near-term and longer-term budget challenges for many institutions.

Public-private higher education - Ernst & Young

In a video produced by the Network on Education Policy, scholar-turned-activist Diane Ravitch claims that the “privatization movement—charters and vouchers—is moving forward full speed ahead, defunding public schools, using test scores to say public schools aren’t good enough.
