When 19th-century explorers and 20th-century archaeologists rediscovered the ancient Indus Valley civilization, the history of the Indian sub-continent had to be rewritten. Many questions remain unanswered. The Indus Valley civilization flourished in the third millennium B.C. and suddenly disappeared, after a millennium.

10 Facts About Ancient India

This book examines knowledge traditions that held together the fluid and overlapping maritime worlds of the Indian Ocean in the premodern period, as evident in the material and archaeological record. It breaks new ground by shifting the focus from studying cross-pollination of ideas from textual sources to identifying this exchange of ideas in archaeological and historical documentation.
