Percy Jackson Demigod Collection

Disney Electronic Content

A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. **THE LIGHTNING THIEF:** Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. **THE LOST HERO:** Jason, Piper, and Leo find themselves at Camp

Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount Olympus. THE HIDDEN ORACLE: Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod

named Percy Jackson shows him where to find it: at a training camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys.

Camp Half-Blood Confidential *Penguin UK*

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In

response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity.

Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

Percy Jackson and the Olympians The Percy Jackson Coloring Book
Disney-Hyperion

Demigods, brandish your pencils! Over the past decade, millions of young readers, parents, and teachers have come to adore

Rick Riordan's classic series Percy Jackson and the Olympians, which made ancient Greek mythology contemporary, relevant, and entertaining as it turned kids on to reading. Now fans can literally color Percy's world with the amusing portraits, dramatic scenes, and intricate designs on every spread of this large format paperback. This book is a great way to introduce young children to the series, to allow older fans to reminisce, and to augment classroom units on Greek mythology.

Last Olympian, The (Percy Jackson and the Olympians, Book 5) *Disney Electronic Content*

All year the half-bloods

have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

Heroes of Olympus: The Son of Neptune *Disney Electronic Content*

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His

brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk.

Percy Jackson's Greek Gods *Disney Electronic Content*

"A publisher in New York asked me to write down what I know about the Greek gods, and I was like, Can we do this anonymously? Because I don't need the Olympians mad at me again. But if it helps you to know your Greek gods, and survive an encounter with them if they ever show up in your face, then I guess writing all this down will be my good deed for the week." So begins Percy Jackson's Greek Gods, in which the son of Poseidon adds his own magic--and sarcastic asides--to the classics. He explains how the world was created, then gives readers his personal take on a who's who of ancients, from Apollo to Zeus. Percy does not hold back. "If you like horror shows, blood baths,

lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." Dramatic full-color illustrations throughout by Caldecott Honoree John Rocco make this volume--a must for home, library, and classroom shelves--as stunning as it is entertaining.

Titan's Curse, The (Percy Jackson and the Olympians, Book 3) *Disney Electronic Content*

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

The Last Olympian: The Graphic Novel (Percy Jackson Book 5) *Penguin UK*

Crime and Punishment Paperback

The two years before he wrote Crime and Punishment (1866) had been bad ones for Dostoyevsky. His wife and brother had died; the magazine he and his brother had started, Epoch, collapsed under its load of debt; and he was threatened with debtor's prison. With an advance that he managed to wangle for an unwritten novel, he fled to Wiesbaden, hoping to win enough at the roulette table to get himself out of debt. Instead, he lost all his money; he had to pawn his clothes and beg friends for loans to pay his hotel bill and get back to Russia. One of

his begging letters went to a magazine editor, asking for an advance on yet another unwritten novel - which he described as Crime and Punishment. One of the supreme masterpieces of world literature, Crime and Punishment catapulted Dostoyevsky to the forefront of Russian writers and into the ranks of the world's greatest novelists. Drawing upon experiences from his own prison days, the author recounts in feverish, compelling tones the story of Raskolnikov, an impoverished student tormented by his own nihilism, and the struggle between good and evil. Believing that he is above the law, and convinced that humanitarian ends

justify vile means, he brutally murders an old woman - a pawnbroker whom he regards as "stupid, ailing, greedy...good for nothing."

Overwhelmed afterwards by feelings of guilt and terror, Raskolnikov confesses to the crime and goes to prison. There he realizes that happiness and redemption can only be achieved through suffering. Infused with forceful religious, social, and philosophical elements, the novel was an immediate success. This extraordinary, unforgettable work is reprinted here in the authoritative Constance Garnett translation. A selection of the Common Core State Standards Initiative.

From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series The Edgar, Shamus, and Anthony award-winning Rick Riordan delivers a spellbinding novel of a man on an edge so extreme that his fall will destroy not only

him--but all that he holds dear. Cold Springs Chadwick's life was balanced on a knife's edge--his career, his marriage, his relationship with his dangerously troubled daughter. Working for an old military buddy, he saves kids for a living, escorting troubled teens to a Texas wilderness school that specializes in the toughest brand of love. Until he gets a phone call that threatens to shatter his new life. Mallory Zedman is taking the same terrible path Chadwick's own daughter once took. Defiant and out of control, Mallory is

determined to destroy herself and anyone who tries to stop her. No sooner does Chadwick snatch her off the streets than he discovers she is wanted for questioning in a brutal murder--a slaying that seems directly linked to Chadwick's past. To save Mallory, tough love will not be enough. And he must jeopardize the one thing he still has left to lose--a slim hope of redemption.

Rebel Island *Bantam*

Triple-crown winner of mystery's most coveted awards—the

Edgar, the Anthony, and the Shamus—Rick Riordan and his Texas-style take on the crime novel have never been bigger or darker than in this latest Tres Navarre thriller. This time Navarre faces a killer as unstoppable as a force of nature. Tres Navarre had given up private investigation—and with it a violent past that had buried too many friends. Newly married, with a baby on the way, it was time to find a safer line of work. He and Maia had come to Rebel Island to celebrate their honeymoon and a new future. But no sooner had they arrived than a reminder of the past showed up in the form of a corpse shot dead in room 12. Just like that Tres finds himself flashing back on the

memory of a grim childhood summer spent on the island—a summer that changed everything in his life. A summer he could never forget but never entirely remember either. And when a second corpse turns up, it's clear to Tres that the past is not dead and buried after all, but is stalking Rebel Island with unfinished business of its own. What really happened that long-ago summer, what dark secrets were kept, and who has come back to avenge them...these are the questions Tres, his brother Garrett, and the very pregnant Maia must answer—and time is running out. For a monster hurricane is about to hit Rebel Island, cutting them off from the mainland and

leaving them trapped on a flooding island with the hotel's remaining guests brutally dying one by one. Tres knows better than anyone that the bloodlines of South Texas are as twisted as barbed wire. This time they're guarding a revelation that can turn his dreams of happily ever after into the ultimate nightmare.
