Race and Labor in Post-Civil Rights Hollywood *Columbia University Press*

Hollywood is often thought of—and certainly by Hollywood itself—as a progressive haven. However, in the decade after the passage of the Civil Rights Act, the film industry grew deeply conservative when it came to conflicts over racial justice. Amid

black self-assertion and white backlash, many of the most heated struggles in film were fought over employment. In *A Piece of the Action*, Eithne Quinn reveals how Hollywood catalyzed wider racial politics, through representation on screen as well as in battles over jobs and resources behind the scenes. Based on extensive archival research and detailed discussions of films like *In the Heat of the Night*, *Sweet Sweetback's Baadasssss Song*, *Super Fly*, *Claudine*, and *Blue Collar*, this volume considers how issues of race and labor played out on the screen during the tumultuous early years of affirmative action. Quinn charts how black actors leveraged their performance capital to force meaningful changes to employment and film content. She examines the emergence of Sidney Poitier and other African Americans as A-list stars; the careers of black filmmakers such as Melvin Van Peebles and Ossie Davis; and attempts by the federal government and black advocacy groups to integrate cinema. Quinn also highlights the limits of Hollywood's liberalism, showing how predominantly white filmmakers, executives, and unions hid the persistence of racism behind feel-good stories and public-relations avowals of tolerance. A rigorous analysis of the deeply rooted patterns of racial exclusion in

American cinema, *A Piece of the Action* sheds light on why conservative and corporate responses to antiracist and labor activism remain pervasive in today's Hollywood.

A Piece of the World

A Novel *HarperCollins*
 INSTANT NEW YORK
 TIMES BESTSELLER "A
 must-read for anyone
 who loves history and
 art." --Kristin Hannah
 From the #1 New York
 Times bestselling
 author of the smash
 bestseller *Orphan
 Train*, a stunning and
 atmospheric novel of
 friendship, passion,
 and art, inspired by
 Andrew Wyeth's
 mysterious and iconic
 painting *Christina's
 World*. "Later he told
 me that he'd been

afraid to show me the
 painting. He thought I
 wouldn't like the way
 he portrayed me:
 dragging myself across
 the field, fingers
 clutching dirt, my legs
 twisted behind. The
 arid moonscape of
 wheatgrass and
 timothy. That
 dilapidated house in
 the distance, looming
 up like a secret that
 won't stay hidden." To
 Christina Olson, the
 entire world was her
 family's remote farm in
 the small coastal town
 of Cushing, Maine.
 Born in the home her
 family had lived in for
 generations, and
 increasingly
 incapacitated by
 illness, Christina
 seemed destined for a
 small life. Instead, for
 more than twenty
 years, she was host
 and inspiration for the
 artist Andrew Wyeth,

and became the subject of one of the best known American paintings of the twentieth century. As she did in her beloved smash bestseller *Orphan Train*, Christina Baker Kline interweaves fact and fiction in a powerful novel that illuminates a little-known part of America's history. Bringing into focus the flesh-and-blood woman behind the portrait, she vividly imagines the life of a woman with a complicated relationship to her family and her past, and a special bond with one of our greatest modern artists. Told in evocative and lucid prose, *A Piece of the World* is a story about the burdens and blessings of family history, and how artist

and muse can come together to forge a new and timeless legacy.

Disrupted

My Misadventure in the Start-Up Bubble

An instant New York Times bestseller, Dan Lyons' "hysterical" (Recode) memoir, hailed by the Los Angeles Times as "the best book about Silicon Valley," takes readers inside the maddening

world of fad-chasing venture capitalists, sales bros, social climbers, and sociopaths at today's tech startups. For twenty-five years Dan Lyons was a magazine writer at the top of his profession--until one Friday morning when he received a phone call: Poof. His job no longer existed. "I think they just want to hire younger people," his boss at Newsweek told him. Fifty years old and with a wife and two young kids, Dan was, in a word, screwed. Then an idea hit. Dan had long reported on Silicon Valley and the tech explosion. Why not join it? HubSpot, a Boston start-up, was flush with \$100 million in venture capital. They offered Dan a pile of stock options for the vague role of "marketing fellow." What could go wrong? HubSpotters were true believers: They were making the world a better place ... by selling email spam. The office vibe was frat house meets cult compound: The party began at four thirty on Friday and lasted well into the night; "shower pods" became hook-up dens; a push-up club met at noon in the lobby, while nearby, in the "content factory," Nerf gun fights raged. Groups went on "walking meetings," and Dan's absentee boss sent cryptic emails about employees who had "graduated" (read: been fired). In the middle of all this was Dan, exactly twice the age of the average HubSpot employee, and literally old enough

to be the father of most of his co-workers, sitting at his desk on his bouncy-ball "chair."

A Piece of the Moon
Tyndale House Publishers, Inc.

where TD Lovett and Waite Evers provide the latest updates and the beating heart of the community on radio station Country 16. Neither man is much interested in a wild-goose chase for Quidley's treasure, though. Waite is busy keeping the station afloat and caring for the bruised souls who have landed there. Meanwhile, TD's more intent on winning over local junkyard owner Pidge Bledsoe, who has taken in a shy, wounded boy to raise. But after an estranged friend goes missing searching for the treasure, TD is unexpectedly drawn into the hunt. suspect there's a hidden piece to Gideon Quidley's treasure that no one could've expected.

Madam

The Biography of Polly Adler, Icon of the Jazz Age *Doubleday*

The compulsively readable and sometimes jaw-dropping story of the life of a notorious madam who played hostess to every gangster, politician, writer, sports star and Cafe Society swell worth knowing, and who as much as any single figure helped make the twenties roar—from the Pulitzer Prize-winning author of *The Most Famous Man in America*. "Applegate's tour de force about Jazz Age

icon Polly Adler will seize you by the lapels, buy you a drink, and keep you reading until the very last page.... A treat for fiction and nonfiction fans alike." —Abbott Kahler, *New York Times* bestselling author (as Karen Abbott) of *The Ghosts of Eden Park* Simply put: Everybody came to Polly's. Pearl "Polly" Adler (1900-1962) was a diminutive dynamo whose Manhattan brothels in the Roaring Twenties became places not just for men to have the company of women but were key gathering places where the culturati and celebrity elite mingled with high society and with violent figures of the underworld—and had a good time doing it. As a Jewish immigrant from eastern Europe, Polly

Adler's life is a classic American story of success and assimilation that starts like a novel by Henry Roth and then turns into a glittering real-life tale straight out of F. Scott Fitzgerald. She declared her ambition to be "the best goddam madam in all America" and succeeded wildly. Debby Applegate uses Polly's story as the key to unpacking just what made the 1920s the appallingly corrupt yet glamorous and transformational era that it was and how the collision between high and low is the unique ingredient that fuels American culture.

Mother

An Unconventional History

When acclaimed historian Sarah Knott became pregnant, she asked herself this question. But accounts of motherhood are hard to find. For centuries, historians have concerned themselves with wars, politics and revolutions, not the everyday details of carrying and caring for

a baby. These details matter- they shape our feelings and give structure to our hours. But they leave little historical trace. Much to do with becoming a mother, past or present, is lost or forgotten. Using the arc of her own experience, from miscarriage to the birth and early babyhood of her two children, Sarah Knott explores the ever-changing habits and experiences of motherhood across the ages. Drawing on a disparate collection of fascinating material - interrupted letters, hastily written diary entries, a line from a court record or a figure in a painting - Mother vividly brings to life the lost stories of ordinary women. From the labour pains felt by a South Carolina field

slave to the triumphant smile of a royal mistress pregnant with a king's first son; from a 1950s suburban housewife to a working-class East Ender taking her baby to the factory; from a pioneer with eight children to a 1970s feminist debating whether to have any; these remarkable tales of mothering create a moving depiction of an endlessly various human experience.

In the Black

The never-before-told story of five decades of African Americans on Wall Street Here, for the first time, is the fascinating history of the African American

With the help of profiles of many important black leaders of the past fifty years including everyone from Jesse Jackson and Maynard Jackson, former mayor of Atlanta, to E. Stanley O Neal, COO and

President of Merrill Lynch, and Russell Goings, founder of First Harlem Securities and cofounder of First Harlem Securities he shows how in the years following World War II the growing social, political, and financial powers of African Americans converged on Wall Street. Set to publish during Black History Month, *In the Black* will be warmly received by African American business readers and general readers alike.

Instant New York Times Bestseller Best of 2017 - included on best-of lists by the New York Times, NPR, Barnes & Noble, Publisher's Weekly, LitHub, BookPage, Booklist, TheRealBookSpy.com, the Financial Times (UK) and the Daily Mail (UK) "The Force is mesmerizing, a triumph. Think The Godfather, only with cops. It's that good." — Stephen King The acclaimed, award-winning, bestselling author of The Cartel—voted one of the Best Books of the Year by more than sixty publications, including the New York Times—returns with a cinematic epic as

explosive, powerful, and unforgettable as Mystic River and The Wire. Our ends know our beginnings, but the reverse isn't true . . . All Denny Malone wants is to be a good cop. He is "the King of Manhattan North," a, highly decorated NYPD detective sergeant and the real leader of "Da Force." Malone and his crew are the smartest, the toughest, the quickest, the bravest, and the baddest, an elite special unit given unrestricted authority to wage war on gangs, drugs and guns. Every day and every night for the eighteen years he's spent on the job, Malone has served on the front lines, witnessing the hurt, the dead, the victims, the perps. He's done whatever it takes to serve and protect in a

city built by ambition and corruption, where no one is clean—including Malone himself. What only a few know is that Denny Malone is dirty: he and his partners have stolen millions of dollars in drugs and cash in the wake of the biggest heroin bust in the city's history. Now Malone is caught in a trap and being squeezed by the Feds, and he must walk the thin line between betraying his brothers and partners, the Job, his family, and the woman he loves, trying to survive, body and soul, while the city teeters on the brink of a racial conflagration that could destroy them all. Based on years of research inside the NYPD, this is the great cop novel of our time and a book

only Don Winslow could write: a haunting and heartbreaking story of greed and violence, inequality and race, crime and injustice, retribution and redemption that reveals the seemingly insurmountable tensions between the police and the diverse citizens they serve. A searing portrait of a city and a courageous, heroic, and deeply flawed man who stands at the edge of its abyss, *The Force* is a masterpiece of urban living full of shocking and surprising twists, leavened by flashes of dark humor, a morally complex and utterly riveting dissection of modern American society and the controversial issues confronting and dividing us today.

Dark Towers

Deutsche Bank, Donald Trump, and an Epic Trail of Destruction

HarperCollins

#1 WALL STREET JOURNAL BESTSELLER
* NEW YORK TIMES BESTSELLER
New York Times finance editor David Enrich's explosive exposé of the most scandalous bank in the world, revealing its shadowy ties to Donald Trump, Putin's Russia, and Nazi Germany "A jaw-dropping financial thriller" —Philadelphia Inquirer
On a rainy Sunday in 2014, a senior executive at Deutsche Bank was found hanging in his London apartment. Bill Broeksmit had helped build the 150-year-old financial institution into a global colossus, and

his sudden death was a mystery, made more so by the bank's efforts to deter investigation. Broeksmit, it turned out, was a man who knew too much. In *Dark Towers*, award-winning journalist David Enrich reveals the truth about Deutsche Bank and its epic path of devastation. Tracing the bank's history back to its propping up of a default-prone American developer in the 1880s, helping the Nazis build Auschwitz, and wooing Eastern Bloc authoritarians, he shows how in the 1990s, via a succession of hard-charging executives, Deutsche made a fateful decision to pursue Wall Street riches, often at the expense of ethics and the law. Soon, the bank was manipulating

markets, violating international sanctions to aid terrorist regimes, scamming investors, defrauding regulators, and laundering money for Russian oligarchs. Ever desperate for an American foothold, Deutsche also started doing business with a self-promoting real estate magnate nearly every other bank in the world deemed too dangerous to touch: Donald Trump. Over the next twenty years, Deutsche executives loaned billions to Trump, the Kushner family, and an array of scandal-tarred clients, including convicted sex offender Jeffrey Epstein. Dark Towers is the never-before-told saga of how Deutsche Bank became the global face of financial recklessness and

criminality—the corporate equivalent of a weapon of mass destruction. It is also the story of a man who was consumed by fear of what he'd seen at the bank—and his son's obsessive search for the secrets he kept.

Action Movies

The Cinema of Striking Back *Columbia University Press*

Action Movies: The Cinema of Striking Back is a study of action cinema, exploring the ethics and aesthetics of the genre with reference to its relatively short history. It moves from seminal classics like Bullitt (1968) and Dirty Harry (1971) through epoch-defining films like Rambo: First Blood Part II (1985) and Die

Hard (1988) to revisions, reboots, and renewals in films like *Kill Bill Vol. 1* (2003), *Taken* (2008), and *The Expendables* (2010). The action genre is a fusion of form and content: a cinema of action about action. It is a cinema of the will, configured as a decisive reaction to untenable circumstances. Action heroes take up arms against the sea of troubles that beset them, safe in the knowledge that if they don't do it, nobody will. Though this makes the action movie profoundly disturbing as an embodiment of moral ideology, its enduring appeal proves the appetite for assurance remains undiminished, even in the wake of 9/11.

A Piece of the Action

Piece of Cake *MacLehose Press*

From the Phoney War of 1939 to the Battle of Britain in 1940, the pilots of Hornet Squadron learn their lessons the hard way. Hi-jinks are all very well on the ground, but once in a Hurricane's cockpit, the best killers keep their wits close. Newly promoted Commanding Officer Fanny Barton has a job on to whip the Hornets into shape before they face the Luftwaffe's seasoned pilots. And sometimes Fighter Command, with its obsolete tactics and stiff doctrines, is the real menace. As with all Robinson's novels, the raw dialogue, rich black humor and brilliantly rendered, adrenaline-packed

dogfights bring the Battle of Britain, and the brave few who fought it, to life.
