The Rights Of Students The

The concept of a Student Bill of Rights is not new, but if student rights are to be truly authentic and learner-driven, those rights must come from students. First and foremost, the Student Bill is a mechanism for empowering students in schools across the nation to voice their opinions and needs, driving holistic educational progress.

11 Rights All Students (Should) Have

Student rights are those rights, such as civil, constitutional, contractual and consumer rights, which regulate student rights and freedoms and allow students to make use of their educational investment. These include such things as the right to free speech and association, to due process, equality, autonomy, safety and privacy, and accountability in contracts and advertising, which regulate the treatment of students by teachers and administrators.

Student rights in higher education - Wikipedia

Students have consumer rights. Universities and other higher education providers that don't meet their obligations to undergraduate students may be in breach of consumer protection law.

Higher education: guide to consumer rights for students ...

The most common such violations are of the rights of students. That is, of children attending school.
