The City Shaped: Urban Patterns and Meanings Through ...

After reading into Spiro Kostof's definition of city, it is apparent that we, as urban designers need to look beyond the textbook definition of city, and explore the meanings behind and patterns that shape cities, as precedents and in development of future city planning. What urban design can do is react to what the inhabitants needs are, but it can also instinctively anticipate

potential futures in urban form based of the actions and patterns recorded over time.
