#### **Basic English Grammar Student Book with Answer Key, International Version** *Pearson Education ESL*

#### **English: An Essential Grammar** *Routledge*

Ideal for native speakers and learners alike, this clear guide to the grammar of modern English will help students speak and write English with greater confidence.

### **Basic English Grammar**

#### **With Essential Online Resources** *Pearson Education ESL*

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative

methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting important differences between spoken and written English; Step-by-step writing activities with models for students to follow; Innovative warm-up exercises that precede the grammar charts and introduce points to be taught; Newly created exercises to give students more incremental grammar practice; Structure-based listening exercises that introduce students to relaxed, reduced speech"--Page 4 of cover.

### **Essentials of English Grammar**

#### **A Practical Guide to the Mastery of English** *McGraw Hill Professional*

A concise guide to grammar, usage and style. Includes appendices on irregular verbs, verb-preposition combinations, commonly confused words, and misspelled words.

#### **Understanding and Using English Grammar** *Allyn & Bacon*

The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

New Workbook solely devoted to self-study exercises. New Audio CDs and listening script in the back of the Student Book.

#### **English Grammar For Dummies** *John Wiley & Sons*

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

#### **Fundamentals of English Grammar** *Allyn & Bacon*

Blending communicative and interactive approaches with tried-and-true grammar teaching, the Azar Grammar Series offers concise, accurate, level-appropriate grammar information with an abundance of exercises, contexts, and classroom activities.

#### **Analyzing the Grammar of English**

##### **, Third Edition** *Georgetown University Press*

Analyzing the Grammar of English offers a descriptive analysis of the indispensable elements of English grammar. Designed to be covered in one semester, this textbook starts from scratch and takes nothing for granted beyond a reading and speaking knowledge of English. Extensively revised to function better in skills-building classes, it includes more interspersed exercises that promptly test what is taught, simplified and clarified explanations, greatly expanded and more diverse activities, and a new glossary of over 200 technical terms. Analyzing the Grammar of English is the only English grammar to view the sentence as a strictly punctuational construct—anything that

begins with a capital letter and ends with a period, a question mark, an exclamation mark, or three dots—rather than a syntactic one, and to load, in consequence, all the necessary syntactic analysis onto the clause and its constituents. It is also one of the very few English grammars to include—alongside multiple examples of canonical or "standard" language—occasional samples of stigmatized speech to illustrate grammar points. Students and teachers in courses of English grammatical analysis, English teaching methods, TESOL methods, and developmental English will all benefit from this new edition.

### **Practice Makes Perfect: Intermediate English Grammar for ESL Learners, Third Edition**
